Re: Jurassic Zone, Reservoir A
Bayou San Miguel Field
Sabine Parish, Louisiana

Dear Commissioner Welsh:

Application is hereby made on behalf of **SWEPI LP**, for the calling of a public hearing, after ten (10) days legal notice, to consider evidence relative to the issuance of an order pertaining to the following matters:

1. To permit the applicant to drill, designate and utilize its Olympia Minerals 23 No. 1 Well as unit well for the JUR RA SUD, at the location shown on the plat attached hereto, in exception to the spacing provisions of Office of Conservation Order No. 1513, effective January 23, 2008, or within a radius of 100 feet thereof, but in no event closer than 330 feet from the nearest unit line and 660 feet from the nearest offset Jurassic or Haynesville Zone well to account for any slight variation in the actual "as drilled" location.
2. To find that the proposed unit well at the location shown is necessary to efficiently and economically drain a portion of the reservoir covered by the unit in which it is situated and that use of such well will not adversely affect offset owners.
3. To designate SWEPI LP as unit operator.
4. Except to the extent contrary herewith, to continue in full force and effect the provisions of Office of Conservation Order No. 1513, effective January 23, 2008, as amended and supplemented by the 1513-C Series of Orders, and applicable Statewide Orders.
5. To consider such other matters as may be pertinent.

The Jurassic Zone, Reservoir A, in Bayou San Miguel Field, Sabine Parish, Louisiana, was defined in Office of Conservation Order No. 1513, effective January 23, 2008.

Attached hereto and made a part hereof is a plat outlining the applicant's proposal along with a list of the names and addresses of the Interested Owners, Represented Parties and Interested Parties to whom a copy of this application is being sent. Pursuant to the Revised Rules of Procedure, the list of parties is being furnished ONLY to the Commissioner of Conservation and to the District Manager of the Shreveport District of the Office of Conservation. However, the list of parties will be provided to any party requesting a copy of it.
