Office of Conservation  
P. O. Box 94275  
Baton Rouge, Louisiana 70804-9275

RE: BF-9 Sand, Reservoir A  
**DUCK LAKE FIELD**  
St. Martin Parish, Louisiana

Dear Sir:

Application is hereby made on behalf of Hilcorp Energy Company to the Commissioner of Conservation for the calling of a public hearing, after legal notice, to consider evidence relative to the issuance of an order pertaining to the following matters relating to the BF-9 Sand, Reservoir A, in the Duck Lake Field, St. Martin Parish, Louisiana.

1. To establish rules and regulations governing the exploration for and production of gas and condensate from the BF-9 Sand, Reservoir A, in the Duck Lake Field, St. Martin Parish, Louisiana.
2. To create a single drilling and production unit for this sand and to force pool and integrate all separately owned tracts, mineral leases and other property interests within the unit so created.
3. To designate a unit operator and a unit well for the unit so created, as may be appropriate.
4. To provide that the BF-9 Sand, Reservoir A, should be exempt from the spacing provisions of Statewide Order No. 29-E.
5. To provide that the Commissioner may reclassify the reservoir by supplemental order and without the necessity of a public hearing should such reclassification be warranted, based on evidence furnished the Commissioner.
6. To discuss any other matters that may be pertinent to this application.

The BF-9 Sand, Reservoir A, in the Duck Lake Field, St. Martin Parish, Louisiana, is hereby defined as being that gas and condensate bearing sand encountered between the depths of 8,039' and 8,072' (Pulsed Neutron Decay Log Measurements) in the Hilcorp Energy Company - SL 711 No. 1 Well, located in Section 35, Township 14 South, Range 11 East, St. Martin Parish, Louisiana.

In addition to furnishing the legal notice to all Interested Parties, the applicant will provide for POSTING of the legal notice of the hearing and unit plat in a prominent place in the area of the Duck Lake Field, St. Martin Parish, Louisiana, and will cause the legal notice of the hearing to be PUBLISHED in a newspaper of general circulation published in the vicinity of the Duck Lake Field, St. Martin Parish, Louisiana, at least fifteen (15) days before the hearing date.

Any pertinent data relating to the subject application can be obtained, **AT THE COST OF THE REQUESTING PARTY**, from Cambe Geological Services, Inc., 6300 Westpark, Suite 400, Houston, Texas 77057 (713-659-8363).

In compliance with the Rules of Procedure, a preapplication notice was given, but no request for a conference was received, and therefore, none was held.

There are attached hereto and made a part hereof a plat outlining the proposed unit and a list of the names and addresses of the Interested Owners, Represented Parties, and Interested Parties to whom this application is being sent. Pursuant to the Revised Rules of Procedure, such list of parties and proposed unit plat (being the same plat attached to the December 2, 2010 notice) are being furnished **ONLY** to the Commissioner of Conservation and to the District Manager of the Lafayette District of the Office of Conservation. However, said plat and the list of parties will be provided to any party requesting copies. A reasonable effort was made to ascertain the names and addresses of all Interested Owners, Represented Parties and Interested Parties.

Finally, there is enclosed our check on behalf of the applicant, Hilcorp Energy Company, in the sum of \$755.00 payable to the Office of Conservation and representing the required hearing application fee.

Sincerely,

LEON E. COMEAUX & ASSOCIATES

Randy McAlister
