Re: Change of Unit Operator
PLAN RA SUA
Bayou St. Vincent Field
Assumption Parish, Louisiana

Dear Commissioner Welsh:

Application is hereby made on behalf of **SONIC OIL & GAS, L.P.** for the calling of a public hearing, after ten (10) days legal notice, to consider evidence relative to the issuance of an Order pertaining to the following matters:

1. To remove the existing operator, Goldking Onshore Operating, LLC, and to designate the Sonic Oil & Gas, L.P. as operator of the PLAN RA SUA; Dugas & LeBlanc No. 1 Well (Serial No. 223432), in Bayou St. Vincent Field, Assumption Parish, Louisiana, said unit being established by Office of Conservation Order No. 789-J, effective March 28, 2000.
2. To consider such other matters as may be pertinent.

The Planulina Zone, Reservoir A, in the Bayou St. Vincent Field, Assumption Parish, Louisiana, was defined in Office of Conservation Order No. 789-J, effective March 28, 2000.

The subject well is shut in and has been inactive since December 2005. In the applicant's opinion, the well has no future utility in the unit interval. Leases of the prior operators terminated several years ago, and the existing operator has no remaining leasehold interest in the drillsite tract or unit. The applicant has current leases covering the drillsite tract and all acreage within the existing PLAN RA SUA. Negotiations with the current operator have stalled, and the applicant seeks to take over operation of the subject well in connection with its plans to develop its current leasehold.

Attached hereto is a list of the names and addresses of the Interested Owners, Represented Parties and Interested Parties to whom a copy of this application is being sent. Pursuant to the Revised Rules of Procedure, such list of parties is being furnished ONLY to the Commissioner

of Conservation and to the District Manager of the Lafayette District of the Office of Conservation; however, the list of parties will be provided to any party requesting a copy of it. A reasonable effort was made to ascertain the names and addresses of all Interested Owners, Interested Parties and Represented Parties.

Finally, enclosed is our check in the amount of \$755.00 made payable to the Office of Conservation submitted on behalf of the applicant representing the hearing application fee.

Sincerely,

LISKOW & LEWIS
