Honorable James H. Welsh  
Commissioner of Conservation  
Louisiana Office of Conservation  
P.O. Box 94275  
Baton Rouge, LA 70804-4275

RE: Haynesville Zone, Reservoir A  
Caspiana Field  
Caddo, DeSoto and Red River Parishes, Louisiana

Dear Commissioner Welsh:

Application is hereby made on behalf of **CHESAPEAKE OPERATING, INC.**, for the calling of a public hearing, after thirty (30) days legal notice, to consider evidence relative to the issuance of Orders pertaining to the following matters related to the **Haynesville Zone, Reservoir A**, in the **Caspiana Field**, Caddo, DeSoto and Red River Parishes, Louisiana, for which rules and regulations were established and a pattern of drilling and production units was created by Office of Conservation Order No. 191-H, effective August 28, 2007, as amended and supplemented by the 191-H Series of Orders, to-wit:

1. To create two (2) additional drilling and production units for the exploration for and production of gas and condensate from the Haynesville Zone, Reservoir A, such units to be designated HA RA SU117 and HA RA SU159;
2. To redefine the Haynesville Zone, Reservoir A, INSOFAR AND ONLY INSOFAR as the proposed units referenced herein are concerned, in accordance with the DEFINITION section hereof;

3. To force pool and integrate all separately owned tracts, mineral leases and other property interests within the proposed units, with each tract sharing in unit production on a surface acreage basis of participation;
4. To designate Chesapeake Operating, Inc. as the operator of, and a unit well, for each of the proposed units, if appropriate;
5. To provide that with respect to horizontal wells drilled to the Haynesville Zone, Reservoir A, within or to serve the proposed units, where the horizontal portion of the well is cased and cemented back above the top of the Haynesville Zone, Reservoir A, the distance to any unit boundary and any offset well(s) should be calculated based on the distance to the nearest perforation in the well, and not based on the penetration point or terminus;
6. To extend to the proposed units, to the extent not inconsistent herewith, all pertinent provisions of Office of Conservation Order No. 191-H, effective August 28, 2007, as amended and supplemented by the 191-H Series of Orders, and all applicable Statewide Orders; and
7. To consider such other matters as may be appropriate and justified by the evidence presented at the hearing.

The Haynesville Zone, in the Caspiana Field, was initially defined in Office of Conservation Order No. 191-H, effective August 28, 2007, and is hereby redefined, **INSOFAR AND ONLY INSOFAR** as the proposed units referenced herein are concerned, as being that stratigraphic equivalent of that gas and condensate bearing zone encountered between the depths of 9,720 feet and 11,690 feet, electrical log measurements, in the KCS Resources, LLC. - Hunt Plywood No. 1 Well, located in Section 36, Township 15 North, Range 13 West, DeSoto Parish, Louisiana.

The pre-application conference tentatively scheduled for January 28, 2010, **WILL NOT BE HELD**, as it was not requested within the delays provided for by the Rules of Procedure; therefore, no opposition to this Application at the hearing is anticipated.

Pertinent data relating to the proposed application can be obtained, **AT THE COST OF THE REQUESTING PARTY**, by contacting David Comeaux, with Leon Comeaux & Associates, P.O. Box 53922, Lafayette, LA 70505 (337) 233-9839.

There are attached hereto and made a part hereof two (2) plats outlining the proposed units and a list of the names and addresses of the interested parties to whom this unitization proposal is being sent. Pursuant to the Revised Rules of Procedure, such list of parties is being furnished **ONLY** to the Commissioner of Conservation and to

the District Manager of the Shreveport District of the Office of Conservation. However, the list of parties will be provided to any party requesting a copy of it. A reasonable effort was made to ascertain the names and addresses of all Interested Owners, Represented Parties and Interested Parties.

Finally, enclosed herein is our check in the amount of \$755.00 made payable to the Office of Conservation in payment of the required hearing application fee.

Very truly yours,

RANDALL C. SONGY  
JEREMY B. SHEALY

cc: Interested Owners, Represented Parties,  
and Interested Parties

Mr. Jim Broussard, District Manager  
Office of Conservation

**P.S. To all Interested Owners, Represented Parties and Interested Parties:**

You may have received this Application even though your property is not included in the proposed units, because the Revised Rules of Procedure require us to attempt to also notify everyone owning an interest in the area "proximate to" the proposed units.

Your receipt of this Application does not require you to take any action. It is meant to notify you of these proceedings so that you have the opportunity to participate if you so desire.
