RE: Proposed Substitute Unit Well  
Bol Mex B Sand, Reservoir A, SUA  
**PERRY POINT FIELD**  
Acadia and Lafayette Parishes, Louisiana

Dear Sir:

Application is hereby made on behalf of Hilcorp Energy Company for the calling of a public hearing, after ten (10) days legal notice, to consider evidence relative to the issuance of an order pertaining to the following matters relating to the BOL M B RA SUA, located in the Perry Point Field, Acadia and Lafayette Parishes, Louisiana, created by Office of Conservation Order No. 448-O, effective March 17, 1983.

1. To designate the Hilcorp Energy Company - Plattsmier Hulin No. 3 (ST) Well, located in Section 21, Township 10 South, Range 2 East, in the Perry Point Field, Acadia Parish, Louisiana, as a substitute unit well.
2. To consider such other matters as may be pertinent to this application.

The designation of the well as a substitute unit well is necessary and in the interest of conservation to efficiently and economically drain a portion of the BOL M B RA SUA which cannot be efficiently and economically drained by any existing well within such unit. The present unit well, the Plattsmier Hulin No. 1 Well, ceased to produce from the BOL M B RA SUA in December, 1987. The alternate unit well, the D. Monceaux No. 1 Well, ceased to produce from the BOL M B RA SUA in July, 1993.

The Bol Mex B Sand, Reservoir A, in the Perry Point Field, Acadia and Lafayette Parishes, Louisiana, was fully defined in Office of Conservation Order No. 448-O, effective March 17, 1983.

There is attached hereto and made a part hereof a plat identifying the subject unit created by Conservation Order No. 448-O, along with the location of the proposed substitute unit well. Pursuant to the Revised Rules of Procedure, a list of names and addresses of the Interested Owners, Interested Parties and Represented Parties to whom this application is being sent is being furnished only to the Commissioner of Conservation and to the District Manager of the Lafayette District of the Office of Conservation. However, the list will be provided to any party requesting a copy. A diligent effort was made to ascertain the names and addresses of all Interested Owners, Interested Parties and Represented Parties as required by the Revised Rules of Procedure.

Finally there is enclosed our check on behalf of the applicant, Hilcorp Energy Company, in the sum of \$755.00 payable to the Office of Conservation and representing the required hearing application fee.

Sincerely,

LEON E. COMEAUX & ASSOCIATES
