Re: HA RA SU54
Caspiana Field
DeSoto Parish, Louisiana

Dear Commissioner Welsh:

Application is hereby made on behalf of **ENCANA OIL & GAS (USA) INC.** for the calling of a public hearing after ten (10) days legal notice, to consider evidence relative to the issuance of an Order pertaining to the following matters:

1. To grant a spacing exception to allow the applicant to continue to utilize its Jackson Davis 26H No. 7 Alt. Well as alternate unit well to serve the HA RA SU54, in Caspiana Field, DeSoto Parish, Louisiana, at the location shown on the plat attached hereto and made a part hereof, which location is in exception to the spacing provisions of Office of Conservation Order 191-H, effective August 28, 2007.
2. Except to the extent contrary herewith, to continue in full force and effect the provisions of Office of Conservation Order No. 191-H, effective August 28, 2007, as amended and supplemented by the 191-H Series of Orders, the units created thereby, and applicable Statewide Orders.
3. To consider such other matters as may be pertinent.

The Haynesville Zone, Reservoir A, in Caspiana Field, DeSoto Parish, Louisiana, was defined in Office of Conservation Order No. 191-H, effective August 28, 2007.

Office of Conservation Order No. 191-H-94, effective April 20, 2010, designated, among other wells, the Jackson Davis 26H No. 7 Well, as alternate unit well for the HA RA SU54, at a legal location. It has come to the attention of the applicant that this well was mistakenly perforated less than 330 feet from the north unit line in exception to applicable spacing provisions. For that reason, the applicant is requesting a spacing exception at a hearing.

Attached hereto and made a part hereof is a plat outlining the applicant's proposal along with a list of the names and addresses of the Interested Owners, Represented Parties and Interested Parties to whom a copy of this application is being sent. A reasonable effort was made to ascertain the names and addresses of all Interested Owners, Represented Parties and Interested Parties.

Finally, enclosed herewith is our check on behalf of the applicant in the amount of \$755.00 **made payable to the Office of Conservation** representing the required hearing application fee.
