RE: Proposed Substitute Unit Well  
Camerina 2 Sand, Reservoir B, SUA  
**SOUTH BELL CITY FIELD**  
Calcasieu Parish, Louisiana

Dear Sir:

Application is hereby made on behalf of Toce Energy, L.L.C. for the calling of a public hearing, after ten (10) days legal notice, to consider evidence relative to the issuance of an order pertaining to the following matters relating to the CAM 2 RB SUA, located in the South Bell City Field, Calcasieu Parish, Louisiana, created by Office of Conservation Order No. 355-A-2, effective January 19, 1993.

1. To designate the Toce Energy, L. L. C. - The Lacassane Company No. 1 Well, located in Section 8, Township 11 South, Range 6 West, in the South Bell City Field, Calcasieu Parish, Louisiana, as a substitute unit well.
2. To find that a tolerance of fifty (50) feet for the location of the proposed substitute unit well is necessary to account for the possible variance between the proposed location and the "as drilled" location.
3. Except as may be in conflict with the provisions hereof, the provisions of the Office of Conservation Order No. 355-A-2 shall remain in full force and effect.
4. To consider such other matters as may be pertinent to this application.

The present unit well designated by Order No. 355-A-2, the CAM 2 RB SUA; Edwards No. 2 Well, was plugged and abandoned on July 3, 2002, therefore, the designation of The Lacassane Company No. 1 Well as a substitute unit well is necessary and in the interest of conservation to efficiently and economically drain a portion of the CAM 2 RB SUA which cannot be efficiently and economically drained by any existing well within such unit.
