RE: HEARING APPLICATION  
Alternate Unit Wells  
HA RA SURR  
Logansport Field  
DeSoto Parish, Louisiana  
Our File No. 230593.401 #2

Dear Sir:

On behalf of COMSTOCK OIL & GAS-LOUISIANA, LLC, application is hereby made for a public hearing to receive evidence concerning the issuance of an order pertaining to the following matters relating to the Haynesville Zone, Reservoir A, in the Logansport Field, DeSoto Parish, Louisiana:

1. To permit the applicant to drill, designate and utilize two (2) additional alternate unit wells for HA RA SURR, at the locations shown on the plat attached hereto.
2. To explicitly find that the proposed additional alternate unit wells are reasonable and in the interest of conservation, and are necessary to drain portions of the Haynesville Zone, Reservoir A, in the Logansport Field underlying HA RA SURR, which cannot be efficiently and economically drained by any existing well in such unit.
3. To provide that the unit allowable for HA RA SURR, may be produced from either the unit well, the alternate unit wells, or any combination thereof, at the operator's discretion.
4. To consider such other matters as may be appropriate and justified by the evidence presented at the hearing.

The Haynesville Zone, Reservoir A, in the Logansport Field, was fully defined in Office of Conservation Order No. 28-AA, effective July 29, 2008.

Pertinent data concerning the intended application will be made available for inspection at the offices of the undersigned. Any person wishing to inspect such data should call the undersigned at (318) 221-6858 during normal business hours or write the undersigned at the above address, in order to arrange a date and time for such inspection. A copy of any such pertinent data can be obtained AT THE EXPENSE OF THE REQUESTING PARTY.

A list of the names and addresses of all Interested Owners, Represented Parties and Interested Parties (as defined in the Revised Rules of Procedure) is attached hereto. A copy of this notice, with the annexed plat, is being sent to each of such persons. A reasonable effort has been made to determine that the enclosed list includes all of the persons to whom this notice must be sent under the Revised Rules of Procedure. Pursuant to the Revised Rules of Procedure, such list of parties is being furnished ONLY to the Commissioner of Conservation and to the District Manager of the Shreveport District of the Office of Conservation. However, the list of parties will be provided to any party requesting a copy of it.

A check in the amount of \$755.00 made payable to the Commissioner of Conservation is enclosed herewith as the statutory fee for holding the requested hearing.

This application is being filed in duplicate, and a copy hereof is being sent to Mr. James C. Broussard, Shreveport District Manager of the Office of Conservation, and to each Interested Owner, Represented Party and Interested Party whose name is shown on the attached list.

***You may have received this Hearing Application even though your property may or may not be included in the referenced unit, because the Revised Rules of Procedure require us to attempt to also notify everyone owning an interest in the area "proximate to" the referenced unit.***

***Your receipt of this Hearing Application does not require you to take any action. It is meant to notify you of these proceedings so that you have the opportunity to participate if you so desire.***

Very truly yours,
