Honorable James H. Welsh
Commissioner of Conservation
Office of Conservation
Post Office Box 94275
Baton Rouge, LA 70804-4275

Re: Sparta Zone Reservoir A
West Pilgrim Church Field
Allen Parish, Louisiana

Dear Commissioner Welsh:

Application is hereby made on behalf of **EL-OIL LTD** for the calling of a public hearing, after legal notice, to consider evidence relative to the issuance of an order pertaining to the following matters relating to the Sparta Zone, Reservoir A, in the West Pilgrim Church Field, Allen Parish, Louisiana:

1. To establish rules and regulations and to create a single drilling and production unit for the exploration for and production of gas and condensate from the Sparta Zone, Reservoir A in the West Pilgrim Church Field, Allen Parish, Louisiana, said proposed unit designated Sp RA SUA as shown on the plat attached hereto and made a part hereof;
2. To force pool and integrate all separately owned tracts, mineral leases and other property interests within the unit so created with each tract sharing in unit production on a surface acreage basis of participation;
3. To designate El-Oil, Ltd operator of the proposed Sp RA SUA and to designate their Powell No.1 Well as the unit well;
4. To provide that any wells drilled to the above mentioned zone, within or outside of the proposed unit, should be located in accordance with the spacing provisions of LAC 43:XIX.1901, et seq. (Statewide Order No. 29-E);
5. To allow the Commissioner of Conservation to reclassify the reservoir by supplemental order, without the necessity of a public hearing, should the producing characteristics of the reservoir change and evidence to justify such reclassification is submitted to and accepted by the Commissioner of Conservation; and

6. To consider such other matters as may be pertinent to the Sparta Zone, Reservoir A.

The Sparta Zone in the West Pilgrim Church Field, Allen Parish, Louisiana is defined as the gas and condensate bearing zone encountered between the depths of 9540 feet and 10736 feet (electric log measurements) in the Silver Oak Operating, LLC (South Louisiana Production Company), Powell Lumber No.1 Well located in Section 34, Township 5S, Range 5W of Allen parish, Louisiana.

Pertinent data, including well logs, not available from the Office of Conservation may be obtained **AT THE COST OF THE REQUESTING PARTY** from James F. Hardwick & Associates, 1101 S. Hugh Wallis Road, Suite 101, Lafayette, Louisiana 70508, Telephone Number (337) 232-7756.

Pursuant to the Rules of Procedure, a pre-application conference was held on Thursday, April 7, 2011, in Lafayette, Louisiana, at which the parties named on the attached list were in attendance. The conference was opened by James F. Hardwick for the applicant who explained the bases for the unit being requested. Questions were asked and answered. Opposition is not expected at the hearing to be scheduled in this matter.

Attached hereto and made a part hereof are a plat outlining the applicant's proposal, the conference attendance list, and a list of the names and addresses of the Interested Owners, Represented Parties, and Interested Parties to whom a copy of this application is being mailed. Pursuant to the Revised Rules of Procedure, such plat (being the same plat attached to the pre-application notice dated March 18, 2011) and list of parties are being furnished ONLY to the Commissioner of Conservation and to the District Manager of the Lafayette District of the Office of Conservation; however, the plat and/or list of parties will be furnished to any party requesting copies. A reasonable effort was made to ascertain the names and addresses of all Interested Owners, Represented Parties and Interested Parties. Also enclosed is our check, made payable to the Office of Conservation, submitted on behalf of the applicant representing the required hearing application fee.

Very truly yours,

James F. Hardwick
