**TRACT 34349 - PORTION OF BLOCK 2, BAY MARCHAND AREA, Lafourche Parish, Louisiana**

That portion of Block 2, Bay Marchand Area, Lafourche Parish, Louisiana, belonging to the State of Louisiana and not under mineral lease on April 10, 2002, described as follows: Beginning at the Northeast corner of said Block 2, which has Coordinates of X = 2,385,227.73 and Y = 155,172.00 and running thence West 6,483.03 feet along the South line of State Least 1365 being the North line of Block 2 to a point which has Coordinates of X = 2,378,744.70 and Y = 155,172.00; thence following the boundary of State Least 1366 South 1,940.27 feet to a point which has Coordinates of X = 2,378,744.70 and Y = 153,231.73.00; thence continuing along the boundary of State Lease 1366 East 6,483.03 feet to a point on the East line of said Block 2 which has Coordinates of X = 2,385,227.73 and Y = 153,231.73.00; thence North 1,940.27 feet along the East line of said Block 2 to the point of beginning, containing approximately **288.77 acres**, as shown outlined on a plat on file in the Office of Mineral Resources, Department of Natural Resources, as provided by the applicant. All bearings, distances and coordinates are based on Louisiana Coordinate System of 1927 (South Zone).

NOTE: The above description of the tract nominated for lease has been provided exclusively by the party nominating the tract for lease. The Louisiana State Mineral Board makes no representation as to the accuracy of the description of the nominated tract or its suitability for lease. The Louisiana State Mineral Board has made no inspection of the nominated tract for the existence of conflicting leases, operating agreements, private claims or other existing or future obligations or conditions which may affect all or any portion of the nominated tract or its suitability for lease.

Maps depicting the nominated tract, containing the bearings, distances and coordinates of the nominated tract based on the Louisiana Coordinate System of 1927, North or South Zone, as applicable, are available for public inspection and review at the offices of the Louisiana State Mineral Board from 10:00 a.m. to 3:00 p.m. Monday - Friday.

In the event of conflict between the description of the nominated tract set forth above and the description of the nominated property as contained on the maps maintained at the offices of the Louisiana State Mineral Board, the Louisiana State Mineral Board maps shall prevail and shall provide the final property description of the lease to be awarded of the nominated tract.

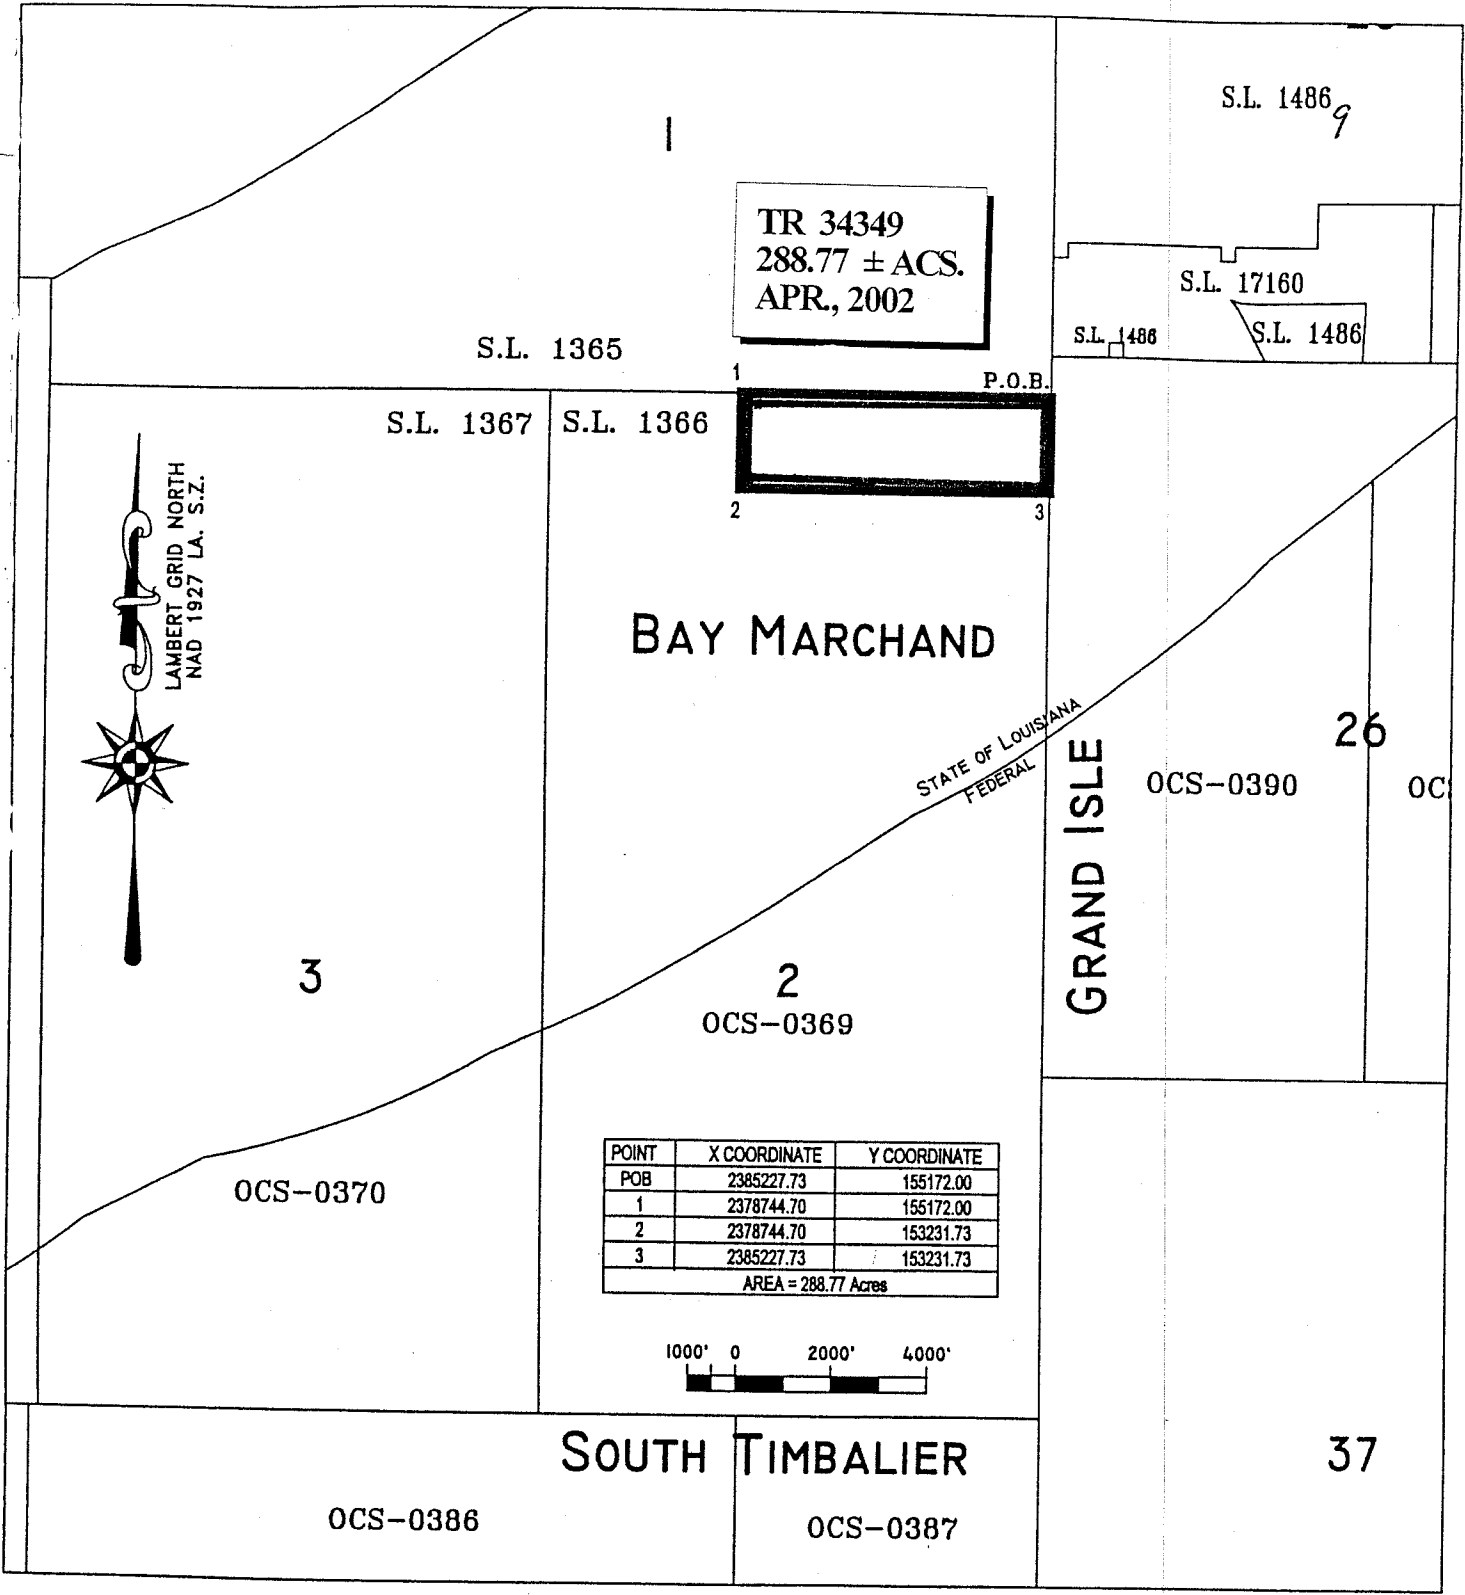

Any mineral lease of the nominated tract by the Louisiana State Mineral Board shall be without warranty of any kind, either express, implied, or statutory, including, but not limited to, the implied warranties or merchantability and fitness for a particular purpose. Should the mineral lease of the nominated tract awarded by the Louisiana State Mineral Board be subsequently modified, cancelled or abrogated due to the existence of conflicting leases, operating agreements, private claims or other existing of future obligations or conditions which may affect all or any portion of the leased tract, it shall not relieve the Lessee of the obligation to pay any bonus due thereon to the Louisiana State Mineral Board, nor shall the Louisiana State Mineral Board be obligated to refund any consideration

paid by the Lessee prior to such modification, cancellation, or abrogation, including, but not limited to, bonuses, rents and royalties.

NOTE: The State of Louisiana does hereby reserve, and this lease shall be subject to, the imprescriptible right of surface use in the nature of a servitude in favor of the Department of Natural Resources, including its Offices and Commissions, for the sole purpose of implementing, constructing, servicing and maintaining approved coastal zone management and/or restoration projects. Utilization of any and all rights derived under this lease by the mineral lessee, its agents, successors or assigns, shall not interfere with nor hinder the reasonable surface use by the Department of Natural Resources, its Offices or Commissions, as hereinabove reserved.

**TRACT 34350 - PORTION OF BLOCK 2, BAY MARCHAND AREA, Lafourche Parish, Louisiana**

That portion of Block 2, Bay Marchand Area, Lafourche Parish, Louisiana, belonging to the State of Louisiana and not under mineral lease on April 10, 2002, described as follows: That portion of Bay Marchand Area, Block 2, bounded on the West, North, and East by S.L 1366 and on the South by OCS-0369, situated in Lafourche Parish, La. and more particularly described as beginning at a point on the State of Louisiana Three Mile offshore line as determined by the report of the Special Master and set out by a judgement decree rendered in June of 1975, in the litigation styled United States v. State of Louisiana, et al. No. 9 Original brought in the Supreme Court of the United States having Coordinates of X = 2,380,202.56 and Y = 145,175.81 and running thence Northeasterly in a straight line 2,219.75 feet along said three mile line to a point having Coordinates of X = 2,382,076.88 and Y = 146,365.02; thence Northwesterly along a straight line 2,213.94 feet to a point having Coordinates of X = 2,380,870.28 and Y = 148,221.27; thence Southwesterly along a straight line 2,220.71 feet to a point having Coordinates of X = 2,378,971.21 and Y = 147,070.14; thence Southeasterly along a straight line 2,259.39 feet to the point of beginning, containing approximately **113.97 acres**, as shown outlined on a plat on file in the Office of Mineral Resources, Department of Natural Resources, as provided by the applicant, **LESS AND EXCEPT** that portion thereof, if any, which is more than three nautical miles from the coast line as determined by the Report of the Special Master in the litigation in the Supreme Court of the United States styled United States v. State of Louisiana et al No. 9 Original, said three mile line as set out in the June, 1975, decree of the Supreme Court. All bearings, distances and coordinates are based on Louisiana Coordinate System of 1927 (South Zone).

NOTE: The above description of the tract nominated for lease has been provided exclusively by the party nominating the tract for lease. The Louisiana State Mineral Board makes no representation as to the accuracy of the description of the nominated tract or its suitability for lease. The Louisiana State Mineral Board has made no inspection of the nominated tract for the existence of conflicting leases, operating agreements, private claims or other existing or future obligations or conditions which may affect all or any portion of the nominated tract or its suitability for lease.

Maps depicting the nominated tract, containing the bearings, distances and coordinates of the nominated tract based on the Louisiana Coordinate System of 1927, North or South Zone, as applicable, are available for public inspection and review at the offices of the Louisiana State Mineral Board from 10:00 a.m. to 3:00 p.m. Monday - Friday.

In the event of conflict between the description of the nominated tract set forth above and the description of the nominated property as contained on the maps maintained at the offices of the Louisiana State Mineral Board, the Louisiana State Mineral Board maps shall prevail and shall

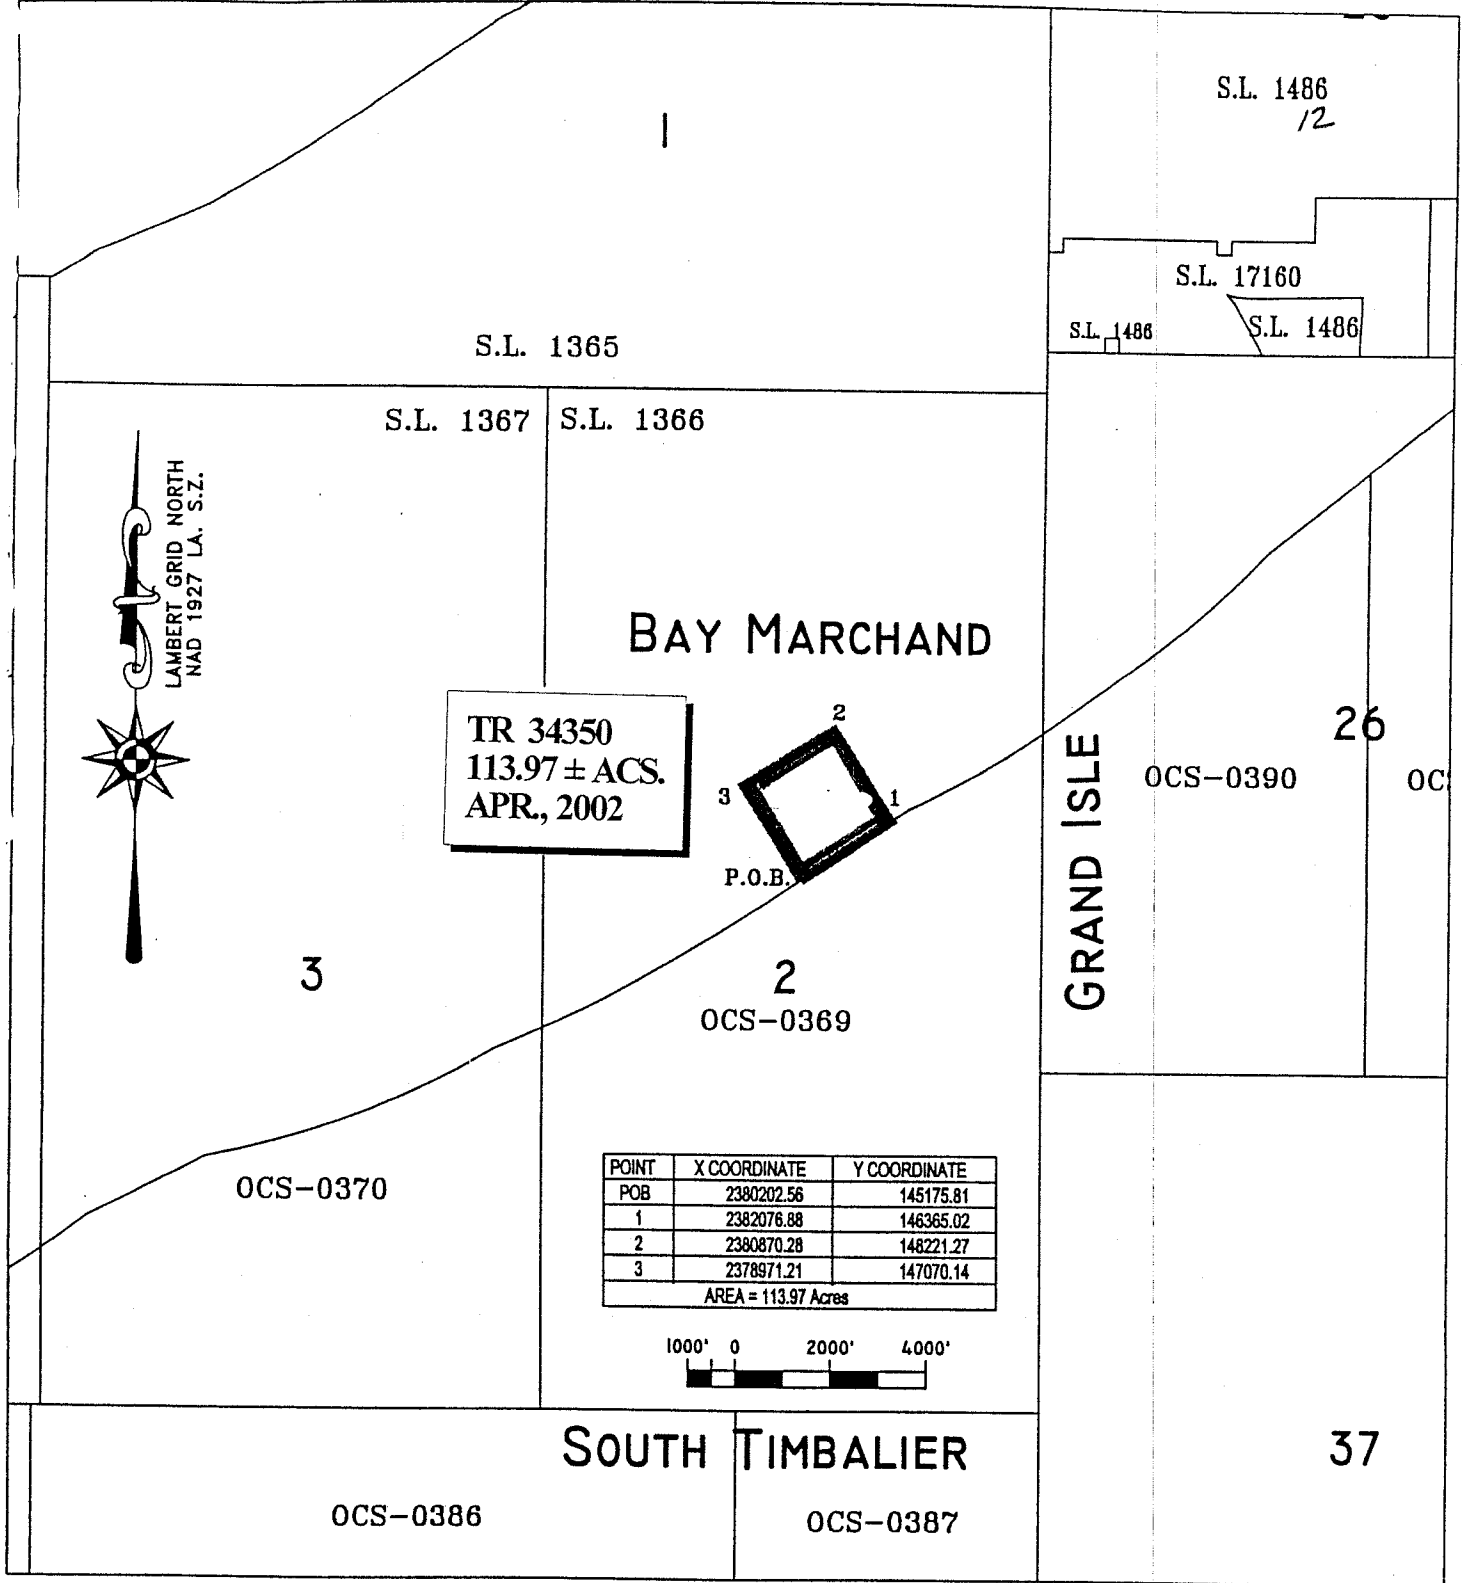

provide the final property description of the lease to be awarded of the nominated tract.

Any mineral lease of the nominated tract by the Louisiana State Mineral Board shall be without warranty of any kind, either express, implied, or statutory, including, but not limited to, the implied warranties or merchantability and fitness for a particular purpose. Should the mineral lease of the nominated tract awarded by the Louisiana State Mineral Board be subsequently modified, cancelled or abrogated due to the existence of conflicting leases, operating agreements, private claims or other existing of future obligations or conditions which may affect all or any portion of the leased tract, it shall not relieve the Lessee of the obligation to pay any bonus due thereon to the Louisiana State Mineral Board, nor shall the Louisiana State Mineral Board be obligated to refund any consideration paid by the Lessee prior to such modification, cancellation, or abrogation, including, but not limited to, bonuses, rents and royalties.

NOTE: The State of Louisiana does hereby reserve, and this lease shall be subject to, the imprescriptible right of surface use in the nature of a servitude in favor of the Department of Natural Resources, including its Offices and Commissions, for the sole purpose of implementing, constructing, servicing and maintaining approved coastal zone management and/or restoration projects. Utilization of any and all rights derived under this lease by the mineral lessee, its agents, successors or assigns, shall not interfere with nor hinder the reasonable surface use by the Department of Natural Resources, its Offices or Commissions, as hereinabove reserved.
