

**TRACT 36561 - Ouachita Parish, Louisiana**

A certain Tract of land, excluding the beds and bottoms of all navigable waters, belonging to and not presently under mineral lease from Ouachita Parish School Board on August 11, 2004, being more fully described as follows: The Southeast Quarter of the Southwest Quarter of Section 3, Township 18 North, Range 1 East containing approximately **4 acres**, all as more particularly outlined on a plat on file in the Office of Mineral Resources, Department of Natural Resources. The description is based on information provided by the State Agency regarding location and ownership of surface and mineral rights. All distances, bearing and coordinates, if applicable, are based on the Louisiana Coordinate System of 1927, (North or South Zone).

NOTE: The above description of the Tract nominated for lease has been provided and corrected, where required, exclusively by the nomination party. Any mineral lease selected from this Tract and awarded by the Louisiana State Mineral Board shall be without warranty of any kind, either express, implied, or statutory, including, but not limited to, the implied warranties of merchantability and fitness for a particular purpose. Should the mineral lease awarded by the Louisiana State Mineral Board be subsequently modified, cancelled or abrogated due to the existence of conflicting leases, operating agreements, private claims or other future obligations or conditions which may affect all or any portion of the leased Tract, it shall not relieve the Lessee of the obligation to pay any bonus due thereon to the Louisiana State Mineral Board, nor shall the Louisiana State Mineral Board be obligated to refund any consideration paid by the Lessor prior to such modification, cancellation, or abrogation, including, but not limited to, bonuses, rentals and royalties.

Applicant: Ch4 Energy, LLC to Agency and by Resolution from the Ouachita Parish School Board authorizing the Mineral Board to act in its behalf

**TRACT 36562 - Bossier Parish, Louisiana**

A certain Tract of land, excluding the beds and bottoms of all navigable waters, belonging to and not presently under mineral lease from Bossier Parish Police Jury on August 11, 2004, being more fully described as follows: All of the rights, titles and interest in and to all streets and roads owned by and not under mineral lease from the Bossier Parish Police Jury, lying within the boundaries of Section 6, Township 16 North, Range 10 West, Bossier Parish, Louisiana, excluding beds and bottoms of all navigable waters, containing approximately **11.019 acres**, all as more particularly outlined on a plat on file in the Office of Mineral Resources, Department of Natural Resources. The description is based on information provided by the State Agency regarding location and ownership of surface and mineral rights. All distances, bearing and coordinates, if applicable, are based on the Louisiana Coordinate System of 1927, (North or South Zone).

NOTE: The above description of the Tract nominated for lease has been provided and corrected, where required, exclusively by the nomination party. Any mineral lease selected from this Tract and awarded by the Louisiana State Mineral Board shall be without warranty of any kind, either express, implied, or statutory, including, but not limited to, the implied warranties of merchantability and fitness for a particular purpose. Should the mineral lease awarded by the Louisiana State Mineral Board be subsequently modified, cancelled or abrogated due to the existence of conflicting leases, operating agreements, private claims or other future obligations or conditions which may affect all or any portion of the leased Tract, it shall not relieve the Lessee of the obligation to pay any bonus due thereon to the Louisiana State Mineral Board, nor shall the Louisiana State Mineral Board be obligated to refund any consideration paid by the Lessor prior to such modification, cancellation, or abrogation, including, but not limited to, bonuses, rentals and royalties.

Applicant: Bistineau Partners to Agency and by Resolution from the Bossier Parish Police Jury authorizing the Mineral Board to act in its behalf

**TRACT 36563 - LaSalle and Rapides Parishes, Louisiana**

The State Mineral Board acting on behalf of the LaSalle and Rapides Parish School Board(s), pursuant to Resolution(s) adopted by that (those) body(ies) and in accordance with Louisiana Revised Statutes 30:121-136 and 151-156, as amended, and Article XIV, Section 16(A)(9) and (B) of the Louisiana Constitution of 1974, as same may be continued and promulgated in proper statutory form and, further, amended from time to time, advertises the lands not under mineral lease on August 11, 2004, excluding the beds and bottoms of all navigable water bodies located within the following: The Northwest Quarter (NW/4) and the West Half of the Northeast Quarter (W/2 of NE/4) of Section 16, Township 5 North, Range 3 East, Rapides and LaSalle Parishes, Louisiana, excluding the beds and bottoms of all navigable waters, containing approximately **240 acres**, all as more particularly outlined on a plat on file in the Office of Mineral Resources, Department of Natural Resources. All bearings, distances and coordinates are based on Louisiana Coordinate System of 1927, (North or South Zone).

NOTE: The above description of the Tract nominated for lease has been provided and corrected, where required, exclusively by the nomination party. Any mineral lease selected from this Tract and awarded by the Louisiana State Mineral Board shall be without warranty of any kind, either express, implied, or statutory, including, but not limited to, the implied warranties of merchantability and fitness for a particular purpose. Should the mineral lease awarded by the Louisiana State Mineral Board be subsequently modified, cancelled or abrogated due to the existence of conflicting leases, operating agreements, private claims or other future obligations or conditions which may affect all or any portion of the leased Tract, it shall not relieve the Lessee of the obligation to pay any bonus due thereon to the Louisiana State Mineral Board, nor shall the Louisiana State Mineral Board be obligated to refund any consideration paid by the Lessor prior to such modification, cancellation, or abrogation, including, but not limited to, bonuses, rentals and royalties.

NOTE: Lessors acknowledge that said Township 5 North, Range 3 East is located 27.77% in LaSalle Parish and 72.23% in Rapides Parish, and Lessee is authorized and directed to pay any and all rentals and royalties which may accrue under the terms of this lease to Lessors separately and respectively in the following proportions: Rapides Parish School Board - 72.23% and LaSalle Parish School Board - 27.77%, and further, prospective bidders are hereby placed on notice that execution by the State Mineral Board of oil, gas and mineral leases on behalf of the Rapides Parish School Board, and the LaSalle Parish School Board(s) as above set forth on the above described Section 16 shall not be construed as a waiver by the State Mineral Board of any rights that it may have to lease for and on behalf of the State of Louisiana any navigable water bottoms that might be included within said Section 16.

Applicant: Mcginty-Durham, Inc. to Agency and by Resolution from the Rapides Parish School Board authorizing the Mineral Board to act in its behalf

**TRACT 36564 - Pointe Coupee Parish, Louisiana**

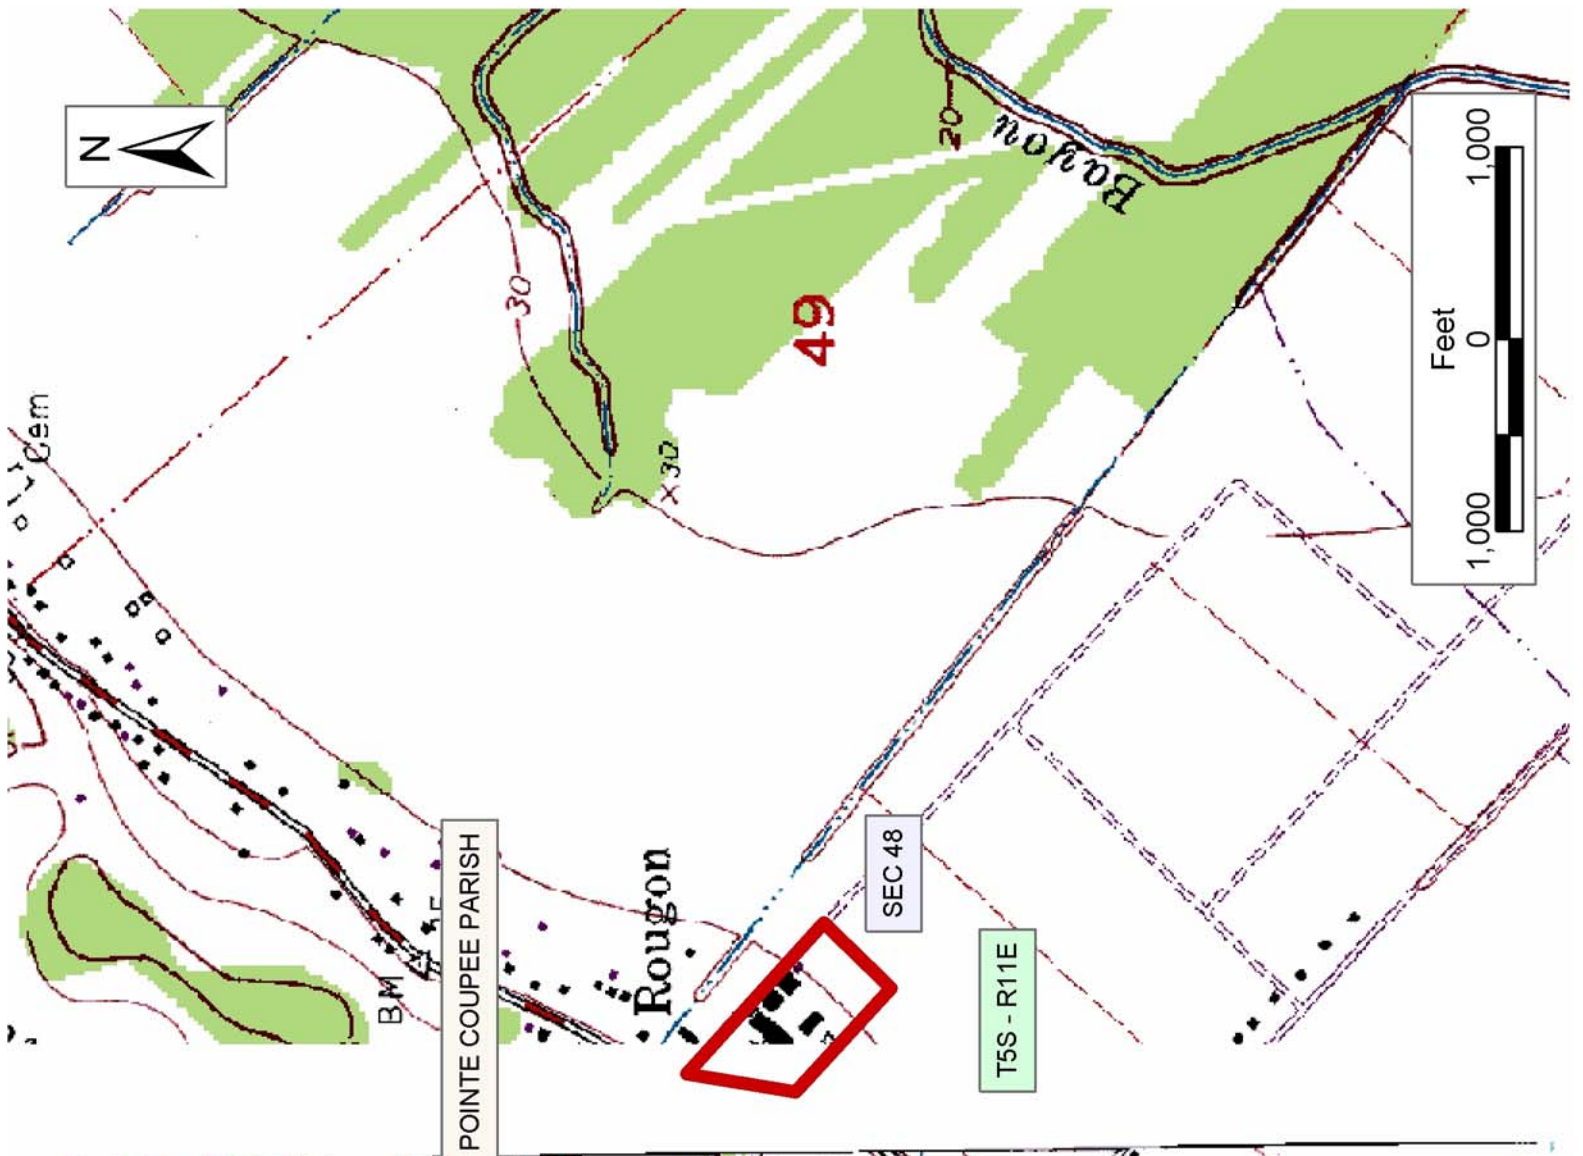

A certain Tract of land, excluding the beds and bottoms of all navigable waters, belonging to and not presently under mineral lease from Pointe Coupee Parish School Board on August 11, 2004, being more fully described as follows: A certain tract of land situated in Section 48, Township 5 South, Range 11 East, Pointe Coupee Parish, Louisiana, and being further described as Lot 26 on a plat of survey dated March 18, 1982 entitled Chevron U. S. A. Inc., Eastern Region, PFI 19100, TUSC RA SU FF, Profit Island Field, Pointe Coupee Parish, Louisiana, prepared by Charles E. Felder, Louisiana Registered Land Surveyor No. 1426, containing approximately **7.732 acres**, all as more particularly outlined on a plat on file in the Office of Mineral Resources, Department of Natural Resources. The description is based on information provided by the State Agency regarding location and ownership of surface and mineral rights. All distances, bearing and coordinates, if applicable, are based on the Louisiana Coordinate System of 1927, (North or South Zone).

NOTE: The above description of the Tract nominated for lease has been provided and corrected, where required, exclusively by the nomination party. Any mineral lease selected from this Tract and awarded by the Louisiana State Mineral Board shall be without warranty of any kind, either express, implied, or statutory, including, but not limited to, the implied warranties of merchantability and fitness for a particular purpose. Should the mineral lease awarded by the Louisiana State Mineral Board be subsequently modified, cancelled or abrogated due to the existence of conflicting leases, operating agreements, private claims or other future obligations or conditions which may affect all or any portion of the leased Tract, it shall not relieve the Lessee of the obligation to pay any bonus due thereon to the Louisiana State Mineral Board, nor shall the Louisiana State Mineral Board be obligated to refund any consideration paid by the Lessor prior to such modification, cancellation, or abrogation, including, but not limited to, bonuses, rentals and royalties.

Applicant: Travis Arceneaux to Agency and by Resolution from the Pointe Coupee Parish School Board authorizing the Mineral Board to act in its behalf

**TRACT 36565 - Jefferson Parish, Louisiana**

A certain Tract of land, excluding the beds and bottoms of all navigable waters, belonging to and not presently under mineral lease from Jefferson Parish School Board on August 11, 2004, being more fully described as follows: A certain portion of ground situated in the Parish of Jefferson, State of Louisiana, in Section 7, T14S R23E, S. E. District of La., West of the Mississippi River, and being a portion of original farm lots H320A, H320B and H320C of Ames Farms or Lower Estelle Plantation. Said portion of ground is more particularly described as follows: **Portion Lot H320A:** Commencing at the intersection of the South side of a 10 foot drainage reservation (which lies between the South or rear of Lots H215A, H215B, H215C, H215D, H215E and Lot H215F and the North or side line of Lot H320A) and the East side of Ames Blvd, thence along the South line of said drainage reservation in an Easterly direction a distance of 311.22 feet to the point of beginning, thence continue along the South side of said drainage reservation in an Easterly direction a distance of 762.53 feet to the line of the projection of Ames Blvd. from the North, said projection being known as Ames Blvd. Extended, thence in a Southerly direction along Ames Blvd. Extended at an interior angle of 89 degrees 06 minutes a distance of 225.48 feet thence in a Westerly direction at an interior angle of 90 degrees 00 minutes 18 seconds a distance of 762.42 feet thence in a Northerly direction at an interior angle of 90 degrees a distance of 213.57 feet to the point of beginning. Said portion of ground contains approximately 3.842 acres.

**Portion Lot H320B:** Commencing at the intersection of the South side of a 10 foot drainage reservation (which lies between the South or rear of Lots H215A, H215B, H215C, H215D, H215E and Lot H215F and the North or side line of Lot H320A) and the East side of Ames Blvd., thence along the South side of said drainage reservation in an Easterly direction a distance of 311.22 feet thence on a deflection angle to the right of 90 degrees 53 minutes 42 seconds in a Southerly direction a distance of 213.57 feet to the point of beginning, thence continuing along the same line in a Southerly direction a distance of 69.58 feet to the boundary between Lot H320B and H320C, thence at an interior angle of 90 degrees in an Easterly direction along the boundary between Lots H320B and H320C a distance of 762.42 feet to the West side of Ames Blvd. Extended, thence at an interior angle of 90 degrees 00 minutes 18 seconds in a Northerly direction along the West side of Ames Blvd. Extended a distance of 69.58 feet to the boundary between Lots H320A and H320B thence at an interior angle of 89 degrees 59 minutes 42 seconds in a Westerly direction along the boundary between Lots H320A and H320B a distance of 762.42 feet to the point of beginning. Said portion of ground contains approximately 1.218 acres.

**Portion of Lot H320C:** Commencing at the intersection of the South side of a 10 foot drainage reservation (which lies between the South or rear of Lots H215A, H215B, H215C, H215D, H215E and Lot H215F and the North or side line of Lot H320A) and the East side of Ames Blvd., thence along the East side of Ames Blvd. in a Southerly direction a distance of 278.51 feet to

the point of beginning, thence continuing along the East side of Ames Blvd. in a Southerly direction a distance of 279.77 feet to the boundary between H320C and H320D thence at an interior angle of 91 degrees 03 minutes in an Easterly direction along said boundary between Lots H320C and H320D a distance of 1,051.66 feet to the West side of Ames Blvd. Extended, thence at an interior angle of 91 degrees 14 minutes in a Northerly direction along the Westerly side of Ames Blvd. Extended a distance of 257.01 feet to the boundary between Lot H320B and Lot H320C thence at an interior angle of 89 degrees 59 minutes 42 seconds in a Westerly direction along the boundary of Lots H320B and H320C a distance of 1,062.53 feet to the point of beginning. Said portion of ground contains approximately 6.512 acres. The above three portions contain approximately **11.572 net acres**, all as more particularly outlined on a plat on file in the Office of Mineral Resources, Department of Natural Resources. The description is based on information provided by the State Agency regarding location and ownership of surface and mineral rights. All distances, bearing and coordinates, if applicable, are based on the Louisiana Coordinate System of 1927, (North or South Zone).

NOTE: The above description of the Tract nominated for lease has been provided and corrected, where required, exclusively by the nomination party. Any mineral lease selected from this Tract and awarded by the Louisiana State Mineral Board shall be without warranty of any kind, either express, implied, or statutory, including, but not limited to, the implied warranties of merchantability and fitness for a particular purpose. Should the mineral lease awarded by the Louisiana State Mineral Board be subsequently modified, cancelled or abrogated due to the existence of conflicting leases, operating agreements, private claims or other future obligations or conditions which may affect all or any portion of the leased Tract, it shall not relieve the Lessee of the obligation to pay any bonus due thereon to the Louisiana State Mineral Board, nor shall the Louisiana State Mineral Board be obligated to refund any consideration paid by the Lessor prior to such modification, cancellation, or abrogation, including, but not limited to, bonuses, rentals and royalties.

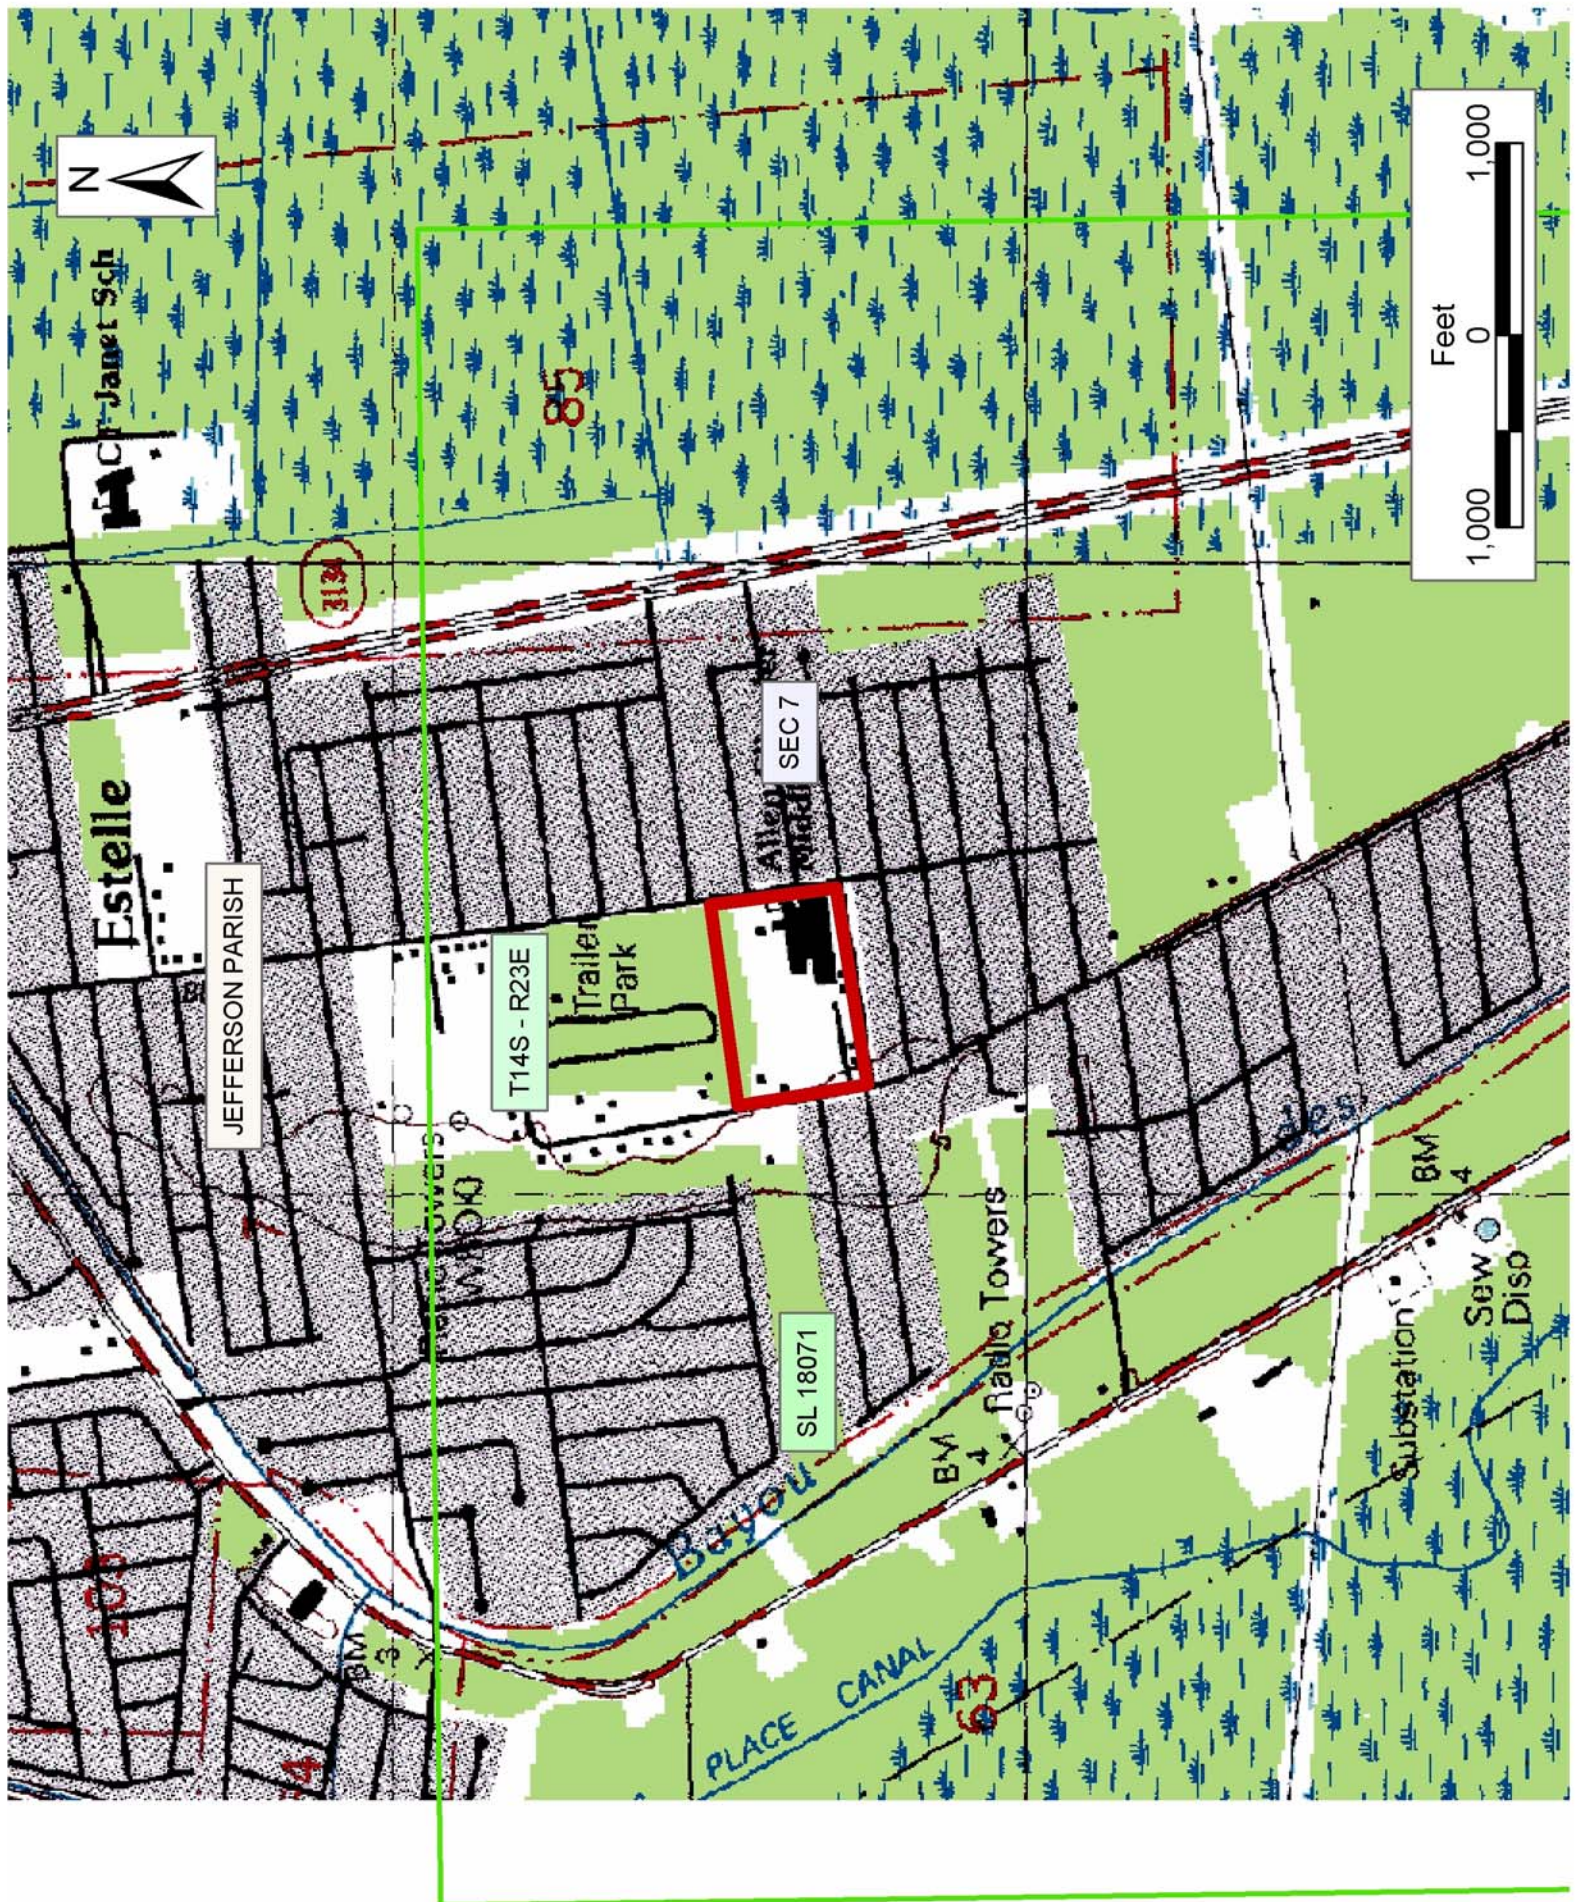

NOTE: The lessee shall conduct its operations in such a manner as to reasonably minimize any interference with or disruption of lessor's use of the surface of the leased property for educational purposes, or its use by lessor in connection with the education of the children of Jefferson Parish, expressly prohibiting any direct drilling upon any land on which a school site is situated.

NOTE: The State of Louisiana does hereby reserve, and this lease shall be subject to, the imprescriptible right of surface use in the nature of a servitude in favor of the Department of Natural Resources, including its Offices and Commissions, for the sole purpose of implementing, constructing, servicing and maintaining approved coastal zone management and/or restoration projects. Utilization of any and all rights derived under this lease by the mineral lessee, its agents, successors or assigns,

shall not interfere with nor hinder the reasonable surface use by the Department of Natural Resources, its Offices or Commissions, as herein above reserved.

Applicant: Parke Energy, LLC to Agency and by Resolution from the Jefferson Parish School Board authorizing the Mineral Board to act in its behalf

**TRACT 36567 - St. Mary Parish, Louisiana**

A certain Tract of land, excluding the beds and bottoms of all navigable waters, belonging to and not presently under mineral lease from St. Mary Parish School Board on August 11, 2004, being more fully described as follows: Beginning at a point having Coordinates of X = 1,931,880.00 and Y = 423,510.00; thence North 2,100.00 feet to a point having Coordinates of X = 1,931,880.00 and Y = 425,610.00; thence North 34 degrees 42 minutes 24 seconds West 3,357.75 feet to a point having Coordinates of X = 1,929,968.18 and Y = 428,370.34; thence North 34 degrees 37 minutes 59 seconds West 3,535.44 feet to a point having Coordinates of X = 1,927,958.92 and Y = 431,279.32; thence North 10 degrees 22 minutes 11 seconds East 3,061.69 feet to a point having Coordinates of X = 1,928,510.02 and Y = 434,291.01; thence South 81 degrees 08 minutes 58 seconds East 7,265.62 feet to a point having Coordinates of X = 1,935,689.14 and Y = 433,173.14; thence South 31 degrees 50 minutes 00 seconds East 2,585.84 feet to a point having Coordinates of X = 1,937,053.04 and Y = 430,976.25; thence South 31 degrees 31 minutes 20 seconds West 1,344.68 feet to a point having Coordinates of X = 1,936,350.00 and Y = 429,830.00; thence South 26 degrees 18 minutes 04 seconds West 1,940.93 feet to a point having Coordinates of X = 1,935,490.00 and Y = 428,090.00; thence South 28 degrees 29 minutes 44 seconds West 1,991.23 feet to a point having Coordinates of X = 1,934,540.00 and Y = 426,340.00; thence South 20 degrees 07 minutes 24 seconds West 1,395.17 feet to a point having Coordinates of X = 1,934,060.00 and Y = 425,030.00; thence South 09 degrees 40 minutes 24 seconds West 892.69 feet to a point having Coordinates of X = 1,933,910.00 and Y = 424,150.00; thence South 23 degrees 10 minutes 07 seconds East 696.14 feet to a point having Coordinates of X = 1,934,183.89 and Y = 423,510.00; thence West 2,303.89 feet to the point of beginning, containing approximately **16 acres**, all as more particularly outlined on a plat on file in the Office of Mineral Resources, Department of Natural Resources. The description is based on information provided by the State Agency regarding location and ownership of surface and mineral rights. All distances, bearing and coordinates, if applicable, are based on the Louisiana Coordinate System of 1927, (North or South Zone).

NOTE: The above description of the Tract nominated for lease has been provided and corrected, where required, exclusively by the nomination party. Any mineral lease selected from this Tract and awarded by the Louisiana State Mineral Board shall be without warranty of any kind, either express, implied, or statutory, including, but not limited to, the implied warranties of merchantability and fitness for a particular purpose. Should the mineral lease awarded by the Louisiana State Mineral Board be subsequently modified, cancelled or abrogated due to the existence of conflicting leases, operating agreements, private claims or other future obligations or conditions which may affect all or any portion of the leased Tract, it shall not relieve the Lessee of the obligation to pay any bonus due thereon to the Louisiana State Mineral Board, nor shall the Louisiana State Mineral Board be obligated to refund any consideration

paid by the Lessor prior to such modification, cancellation, or abrogation, including, but not limited to, bonuses, rentals and royalties.

NOTE: A royalty payment less than twenty-five percent (25%) for an oil, gas and/or other liquid or gaseous hydrocarbon mineral lease for the above mentioned parcel of land will not be acceptable to the St. Mary Parish School Board.

NOTE: The lease shall contain a Favored Nations Clause as follows: It is understood and agreed that if Lessee(s) or its successor or assigns enters into and consummates an agreement to acquire, and does acquire, the oil and gas rights from owners or holders of a mineral interest in land exceeding ten (10) contiguous acres in area and located within one (1) mile of the external boundaries of this Lease during a period of time commencing 180 days prior to the date of this lease and ending (a) ninety (90) days after the completion of a producing well on the leased premises or within one mile of the external boundary of the leased premises, or (b) the end of the primary term, whichever occurs first (hereinafter "Third Party Lease"), then it is agreed that Lessor(s) herein shall be entitled to the same bonus, and/or rental and/or royalty as is paid to any other mineral owner under a Third Party Lease which is higher than the bonus, and/or rental and/or royalty (each to be compared individually and not collectively) paid or to be paid to the Lessor(s) in accordance with those terms contained in this Lease. It is the intent of this Favored Nations Clause to ensure and require that Lessor(s) receives a bonus and/or rental and/or royalty that is commensurate with the highest of any bonus, rental or royalty which is paid by Lessee or its successors under any Third Party Lease, irrespective of whether some or all of said terms of the Third Party Lease may be less favorable than those provided in the Lease. Rather, Lessor(s) may obtain the benefit of some or all of those terms under the Third Party Lease which Lessor(s), in its sole discretion, deems more favorable.

Within sixty (60) days of acquiring a Third Party Lease, Lessee shall notify Lessor(s) in writing of each such lease and the terms thereof. At the option of Lessor(s), Lessee shall have thirty (30) days after receipt of such notice within which to execute a lease amendment, retroactive to the date of this Lease, in which Lessor(s) and Lessee agree to any higher bonus and/or rental and/or royalty contained in a Third Party Lease. Lessee agrees to pay Lessor(s) any higher bonus and/or rental and/or royalty contained in a Third Party Lease. Lessee agrees to pay Lessor(s) any higher bonus and/or rental and/or royalty, retroactive to the date of this Lease, within thirty (30) days after the execution of the lease amendment, but in no event later than 45 days after Lessor(s) receipt of Lessee's notice of the Third Party Lease.

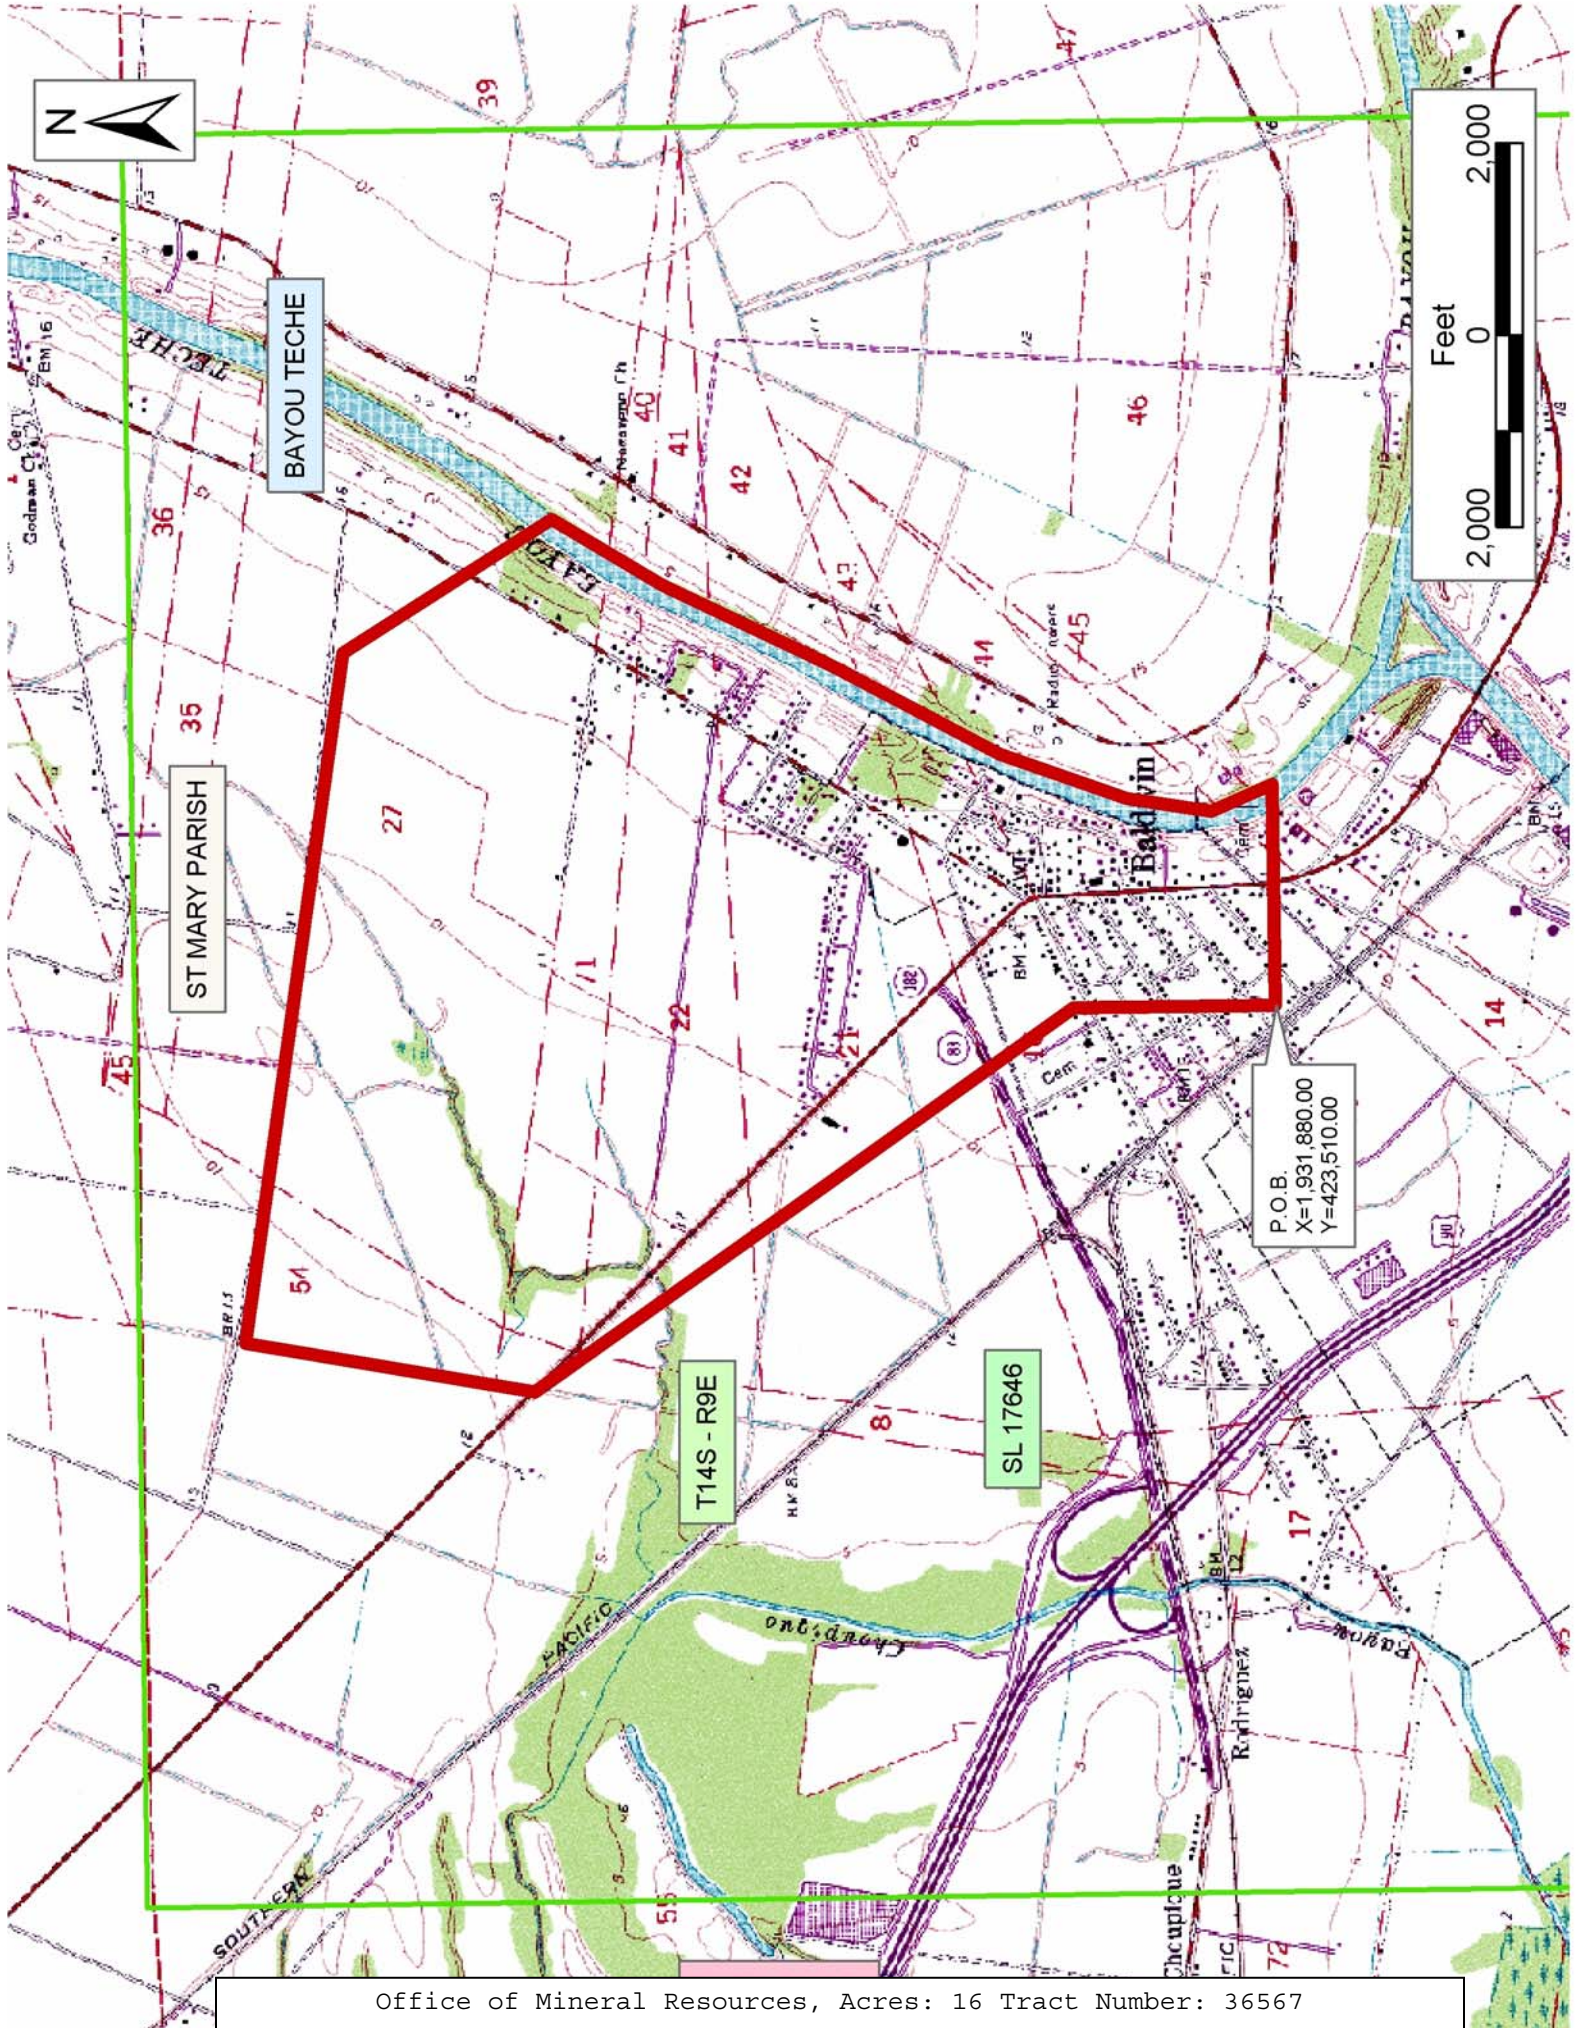

NOTE: Paragraph 8 of the State Lease form used by the Terrebonne Parish School Board, to lease oil, gas and other mineral rights be amended to include the following provisions: "The failure of the Lessee to submit to the Lessor(s), at the office of the Terrebonne Parish School Board, for

approval, the document intended to transfer, sublease, or assign any right or obligation of the Lessee under this lease, within sixty (60) days after the effective date of any such transfer, sublease or assignment, shall subject the Lessee to pay to the Lessor(s) any damages the Lessor(s) may suffer, but in no event shall such damages be deemed to be less than \$100.00 per day for each day the Lessee fails to submit any such document to the Lessor(s) for approval."

NOTE: The State of Louisiana does hereby reserve, and this lease shall be subject to, the imprescriptible right of surface use in the nature of a servitude in favor of the Department of Natural Resources, including its Offices and Commissions, for the sole purpose of implementing, constructing, servicing and maintaining approved coastal zone management and/or restoration projects. Utilization of any and all rights derived under this lease by the mineral lessee, its agents, successors or assigns, shall not interfere with nor hinder the reasonable surface use by the Department of Natural Resources, its Offices or Commissions, as herein above reserved.

Applicant: Stephen D. Baker to Agency and by Resolution from the St. Mary Parish School Board authorizing the Mineral Board to act in its behalf
