### TRACT 40056 - Bossier Parish, Louisiana

The mineral rights only on and under all lands now or formerly constituting the beds and bottoms of all water bodies of every nature and description, and under all other lands owned by and not presently under mineral lease as of August 13, 2008, from the State of Louisiana situated in Bossier Parish, Louisiana, and being more fully described as follows: The East half of the East half of Section 36, located in Township 16 North, Range 11 West, Bossier Parish, Louisiana, containing approximately 90.00 acres, all as more particularly outlined on a plat on file in the Office of Mineral Resources, Department of Natural Resources. All bearings, distances and coordinates are based on Louisiana Coordinate System of 1927, (North or South Zone), where applicable.

NOTE: The above description of the Tract nominated for lease has been provided and corrected, where required, exclusively by the nomination party. Any mineral lease selected from this Tract and awarded by the Louisiana State Mineral Board shall be without warranty of any kind, either express, implied, or statutory, including, but not limited to, the implied warranties of merchantability and fitness for a particular purpose. Should the mineral lease awarded by the Louisiana State Mineral Board be subsequently modified, cancelled or abrogated due to the existence of conflicting leases, operating agreements, private claims or other future obligations or conditions which may affect all or any portion of the leased Tract, it shall not relieve the Lessee of the obligation to pay any bonus due thereon to the Louisiana State Mineral Board, nor shall the Louisiana State Mineral Board be obligated to refund any consideration paid by the Lessor prior to such modification, cancellation, or abrogation, including, but not limited to, bonuses, rentals and royalties.

## TRACT 40057 - Bossier Parish, Louisiana

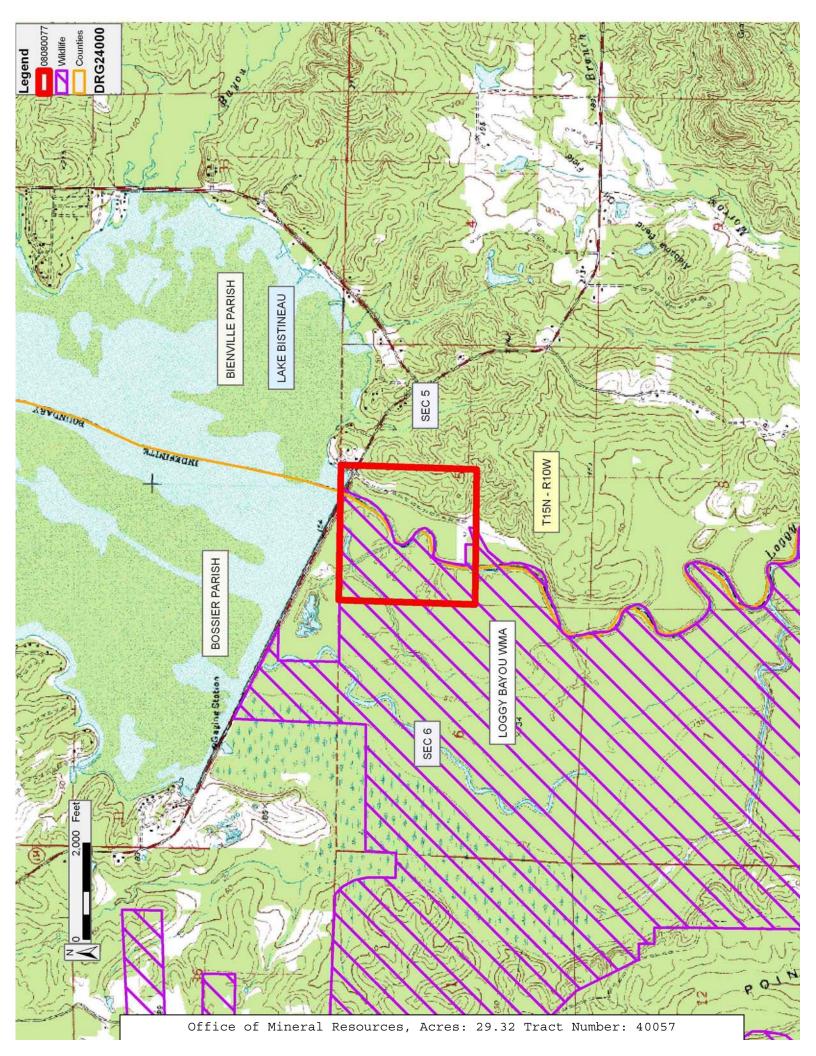

The mineral rights only on and under all lands now or formerly constituting the beds and bottoms of all water bodies of every nature and description, and under all other lands owned by and not presently under mineral lease as of August 13, 2008, from the State of Louisiana situated in Bossier Parish, Louisiana, and being more fully described as follows: All that portion of Lot 11, located in the Northwest Quarter of Section 5, Township 15 North, Range 10 West, Bossier Parish, Louisiana, LESS AND EXCEPT any portion of the above described tract which may fall outside the boundaries of the Loggy Bayou Wildlife Management Area, containing approximately 29.32 acres, all as more particularly outlined on a plat on file in the Office of Mineral Resources, Department of Natural Resources. All bearings, distances and coordinates are based on Louisiana Coordinate System of 1927, (North or South Zone), where applicable.

NOTE: The above description of the Tract nominated for lease has been provided and corrected, where required, exclusively by the nomination party. Any mineral lease selected from this Tract and awarded by the Louisiana State Mineral Board shall be without warranty of any kind, either express, implied, or statutory, including, but not limited to, the implied warranties of merchantability and fitness for purpose. Should the mineral lease awarded by the Louisiana State Mineral Board be subsequently modified, cancelled or abrogated due to existence of conflicting leases, operating agreements, private claims or other future obligations or conditions which may affect all or any portion of the leased Tract, it shall not relieve the Lessee of the obligation to pay any bonus due thereon to the Louisiana State Mineral Board, nor shall the Louisiana State Mineral Board be obligated to refund any consideration such modification, cancellation, paid by the Lessor prior to abrogation, including, but not limited to, bonuses, rentals and royalties.

- 1. No activities will be allowed without written authorization from the Louisiana Department of Wildlife and Fisheries. All projects will be coordinated and approved by the appropriate WMA Supervisor prior to any activities on the wildlife management area.
- 2. Proposed projects will be evaluated on a case by case basis. Modifications to proposed projects may be required including, but not limited to, access routes, spoil placement, well sites, flow lines and other appurtenant structures required by the Louisiana Department of Wildlife and Fisheries.
- 3. Compensatory mitigation will be required to offset unavoidable wetland impacts.

- 4. Removal of all structures, facilities, and equipment will be required within 120 days of abandonment unless otherwise agreed to by the Department of Wildlife and Fisheries.
- 5. No activities will be allowed during the hunting season unless approved by the Department.
- 6. Compliance with the said WMA regulations will be required unless otherwise specified by the Department.
- 7. Prior to submitting applications for wetland permits to Federal and State permitting agencies the lease holder shall coordinate project details with the Louisiana Department of Wildlife and Fisheries, Fur and Refuge Division. Contact person for the Department will be Mike Windham at (504) 568-5886.
