

**TRACT 38718 - Cameron Parish, Louisiana**

A portion of all State owned lands, including high and marsh lands and land now or formerly constituting the beds and bottoms of any water body, within the boundaries of the Rockefeller Wildlife Refuge and Game Preserve, not presently under mineral lease and cross hatched by the State of Louisiana on November 8, 2006, situated in Cameron Parish, Louisiana, and described as follows: Beginning at a Point having Coordinates of X = 1,584,430.86 and Y = 358,639.94; Thence North 8,381.78 feet to a point having Coordinates of X = 1,584,430.86 and Y = 367,021.72; Thence East approximately 7,270 feet to a point on the Rockefeller Wildlife Refuge and Game Preserve boundary having a Y Coordinate of Y = 367,021.72; Thence along said Rockefeller Wildlife Refuge and Game Preserve boundary Southerly approximately 8,422 feet; Thence leaving said Rockefeller Wildlife Refuge and Game Preserve boundary Westerly approximately 7,122 feet to the point of beginning, **LESS AND EXCEPT** any portion of the above described tract which may fall outside of the boundaries of Rockefeller Wildlife Refuge and Game Preserve, containing approximately **1389 acres**, all as more particularly outlined on a plat on file in the Office of Mineral Resources, Department of Natural Resources. All bearings, distances and coordinates are based on Louisiana Coordinate System of 1927, (South Zone).

NOTE: The above description of the Tract nominated for lease has been provided and corrected, where required, exclusively by the nomination party. Any mineral lease selected from this Tract and awarded by the Louisiana State Mineral Board shall be without warranty of any kind, either express, implied, or statutory, including, but not limited to, the implied warranties of merchantability and fitness for a particular purpose. Should the mineral lease awarded by the Louisiana State Mineral Board be subsequently modified, cancelled or abrogated due to the existence of conflicting leases, operating agreements, private claims or other future obligations or conditions which may affect all or any portion of the leased Tract, it shall not relieve the Lessee of the obligation to pay any bonus due thereon to the Louisiana State Mineral Board, nor shall the Louisiana State Mineral Board be obligated to refund any consideration paid by the Lessor prior to such modification, cancellation, or abrogation, including, but not limited to, bonuses, rentals and royalties.

NOTE: The Office of Mineral Resources will require a minimum bonus of \$350 per acre and a minimum royalty of 25%.

NOTE: The mineral lease is located within the Rockefeller Wildlife Refuge under the jurisdiction of the Louisiana Department of Wildlife and Fisheries which has promulgated rules and regulations for the protection of game and wildlife on the aforesaid Tract and, therefore, shall be subject to said rules and regulations, a copy of which shall be attached to the mineral lease. In addition to the specific rules and regulations applicable, the following shall apply regarding operations under this mineral lease:

1. Compliance with the Rockefeller mineral regulations shall be required.
2. No surface activities will be allowed in the vicinity of the Headquarters and associated facilities without written authorization from the Department.
3. Board road access will be required when feasible as determined by the Department.
4. In the event that board road access is not feasible, existing canals and waterways will be utilized to access proposed well locations. A maximum of 350 feet of new canal dredging will be allowed for individual well locations.
5. Compensatory mitigation will be required to offset unavoidable wetland losses.
6. No discharges will be allowed, including produced waters and drilling fluids. A containerized closed loop system will be required.
7. Seasonal restrictions may be imposed within specific management units dependent upon wildlife population levels.
8. Prior to submitting applications for wetland permits to Federal and State permitting agencies the lease holder shall coordinate project details with the Louisiana Department of Wildlife and Fisheries, Fur and Refuge Division. Contact person for the Department will be Mike Windham at (504) 568-5886 or (225) 342-6122.

NOTE: The State of Louisiana does hereby reserve, and this lease shall be subject to, the imprescriptible right of surface use in the nature of a servitude in favor of the Department of Natural Resources, including its Offices and Commissions, for the sole purpose of implementing, constructing, servicing and maintaining approved coastal zone management and/or restoration projects. Utilization of any and all rights derived under this lease by the mineral lessee, its agents, successors or assigns, shall not interfere with nor hinder the reasonable surface use by the Department of Natural Resources, its Offices or Commissions, as herein above reserved.

NOTE: The above description of the Tract nominated for lease has been provided and corrected, where required, exclusively by the nomination party. Any mineral lease selected from this Tract and awarded by the Louisiana State Mineral Board shall be without warranty of any kind, either express, implied, or statutory, including, but not limited to, the implied warranties of merchantability and fitness for a particular purpose. Should the mineral lease awarded by the Louisiana State Mineral Board be subsequently modified, cancelled or abrogated due to the existence of conflicting leases, operating agreements, private claims or other future obligations or conditions which may affect all or any portion of the leased Tract, it shall not relieve the Lessee of the obligation to pay any bonus due thereon to the Louisiana State Mineral Board, nor shall the Louisiana State Mineral Board be obligated to refund any consideration paid by the Lessor prior to such modification, cancellation, or abrogation, including, but not limited to, bonuses, rentals and royalties.

NOTE: The Office of Mineral Resources will require a minimum bonus of \$350 per acre and a minimum royalty of 25%.

NOTE: The mineral lease is located within the Rockefeller Wildlife Refuge under the jurisdiction of the Louisiana Department of Wildlife and Fisheries which has promulgated rules and regulations for the protection of game and wildlife on the aforesaid Tract and, therefore, shall be subject to said rules and regulations, a copy of which shall be attached to the mineral lease. In addition to the specific rules and regulations

applicable, the following shall apply regarding operations under this mineral lease:

1. Compliance with the Rockefeller mineral regulations shall be required.
2. No surface activities will be allowed in the vicinity of the Headquarters and associated facilities without written authorization from the Department.
3. Board road access will be required when feasible as determined by the Department.
4. In the event that board road access is not feasible, existing canals and waterways will be utilized to access proposed well locations. A maximum of 350 feet of new canal dredging will be allowed for individual well locations.
5. Compensatory mitigation will be required to offset unavoidable wetland losses.
6. No discharges will be allowed, including produced waters and drilling fluids. A containerized closed loop system will be required.
7. Seasonal restrictions may be imposed within specific management units dependent upon wildlife population levels.
8. Prior to submitting applications for wetland permits to Federal and State permitting agencies the lease holder shall coordinate project details with the Louisiana Department of Wildlife and Fisheries, Fur and Refuge Division. Contact person for the Department will be Mike Windham at (504) 568-5886 or (225) 342-6122.

NOTE: The State of Louisiana does hereby reserve, and this lease shall be subject to, the imprescriptible right of surface use in the nature of a servitude in favor of the Department of Natural Resources, including its Offices and Commissions, for the sole purpose of implementing, constructing, servicing and maintaining approved coastal zone management and/or restoration projects. Utilization of any and all rights derived under this lease by the mineral lessee, its agents, successors or assigns, shall not interfere with nor hinder the reasonable surface use by the Department of Natural Resources, its Offices or Commissions, as herein above reserved.
