

TRACT 44111 - Claiborne Parish, Louisiana

A certain Tract of land, excluding the beds and bottoms of all navigable waters, belonging to and not presently under mineral lease from Claiborne Parish School Board on December 10, 2014, being more fully described as follows: Northwest Quarter of the Northeast Quarter (NW/4 of NE/4) of Section 34, Township 20 North, Range 6 West, on which the Point Pleasant Colored School Building was being erected on January 19, 1920, with all and singular the improvements thereon, and being the same tract of land conveyed by Albert Lewis, et al, to Claiborne Parish School Board by deed dated January 19, 1920, filed for record under File No. 9419 and recorded on Page 168 of Book 17 of the Conveyance Records of Claiborne Parish, Louisiana, containing **2 acres**, all as more particularly outlined on a plat on file in the Office of Mineral Resources, Department of Natural Resources. The description is based on information provided by the State Agency regarding location and ownership of surface and mineral rights. All bearings, distances and coordinates, if applicable, are based on Louisiana Coordinate System of 1927, (North or South Zone).

NOTE: The above description of the Tract nominated for lease has been provided and corrected, where required, exclusively by the nomination party. Any mineral lease selected from this Tract and awarded by the Louisiana State Mineral and Energy Board shall be without warranty of any kind, either express, implied, or statutory, including, but not limited to, the implied warranties of merchantability and fitness for a particular purpose. Should the mineral lease awarded by the Louisiana State Mineral and Energy Board be subsequently modified, cancelled or abrogated due to the existence of conflicting leases, operating agreements, private claims or other future obligations or conditions which may affect all or any portion of the leased Tract, it shall not relieve the Lessee of the obligation to pay any bonus due thereon to the Louisiana State Mineral and Energy Board, nor shall the Louisiana State Mineral and Energy Board be obligated to refund any consideration paid by the Lessor prior to such modification, cancellation, or abrogation, including, but not limited to, bonuses, rentals and royalties.

NOTE: The minimum royalty that will be acceptable is 22.5% and the minimum cash payment is \$350.00 per acre.

NOTE: The maximum primary term shall be three (3) years with an option to renew for an additional one (1) year with a minimum payment of \$250.00 per acre for the right to renew.

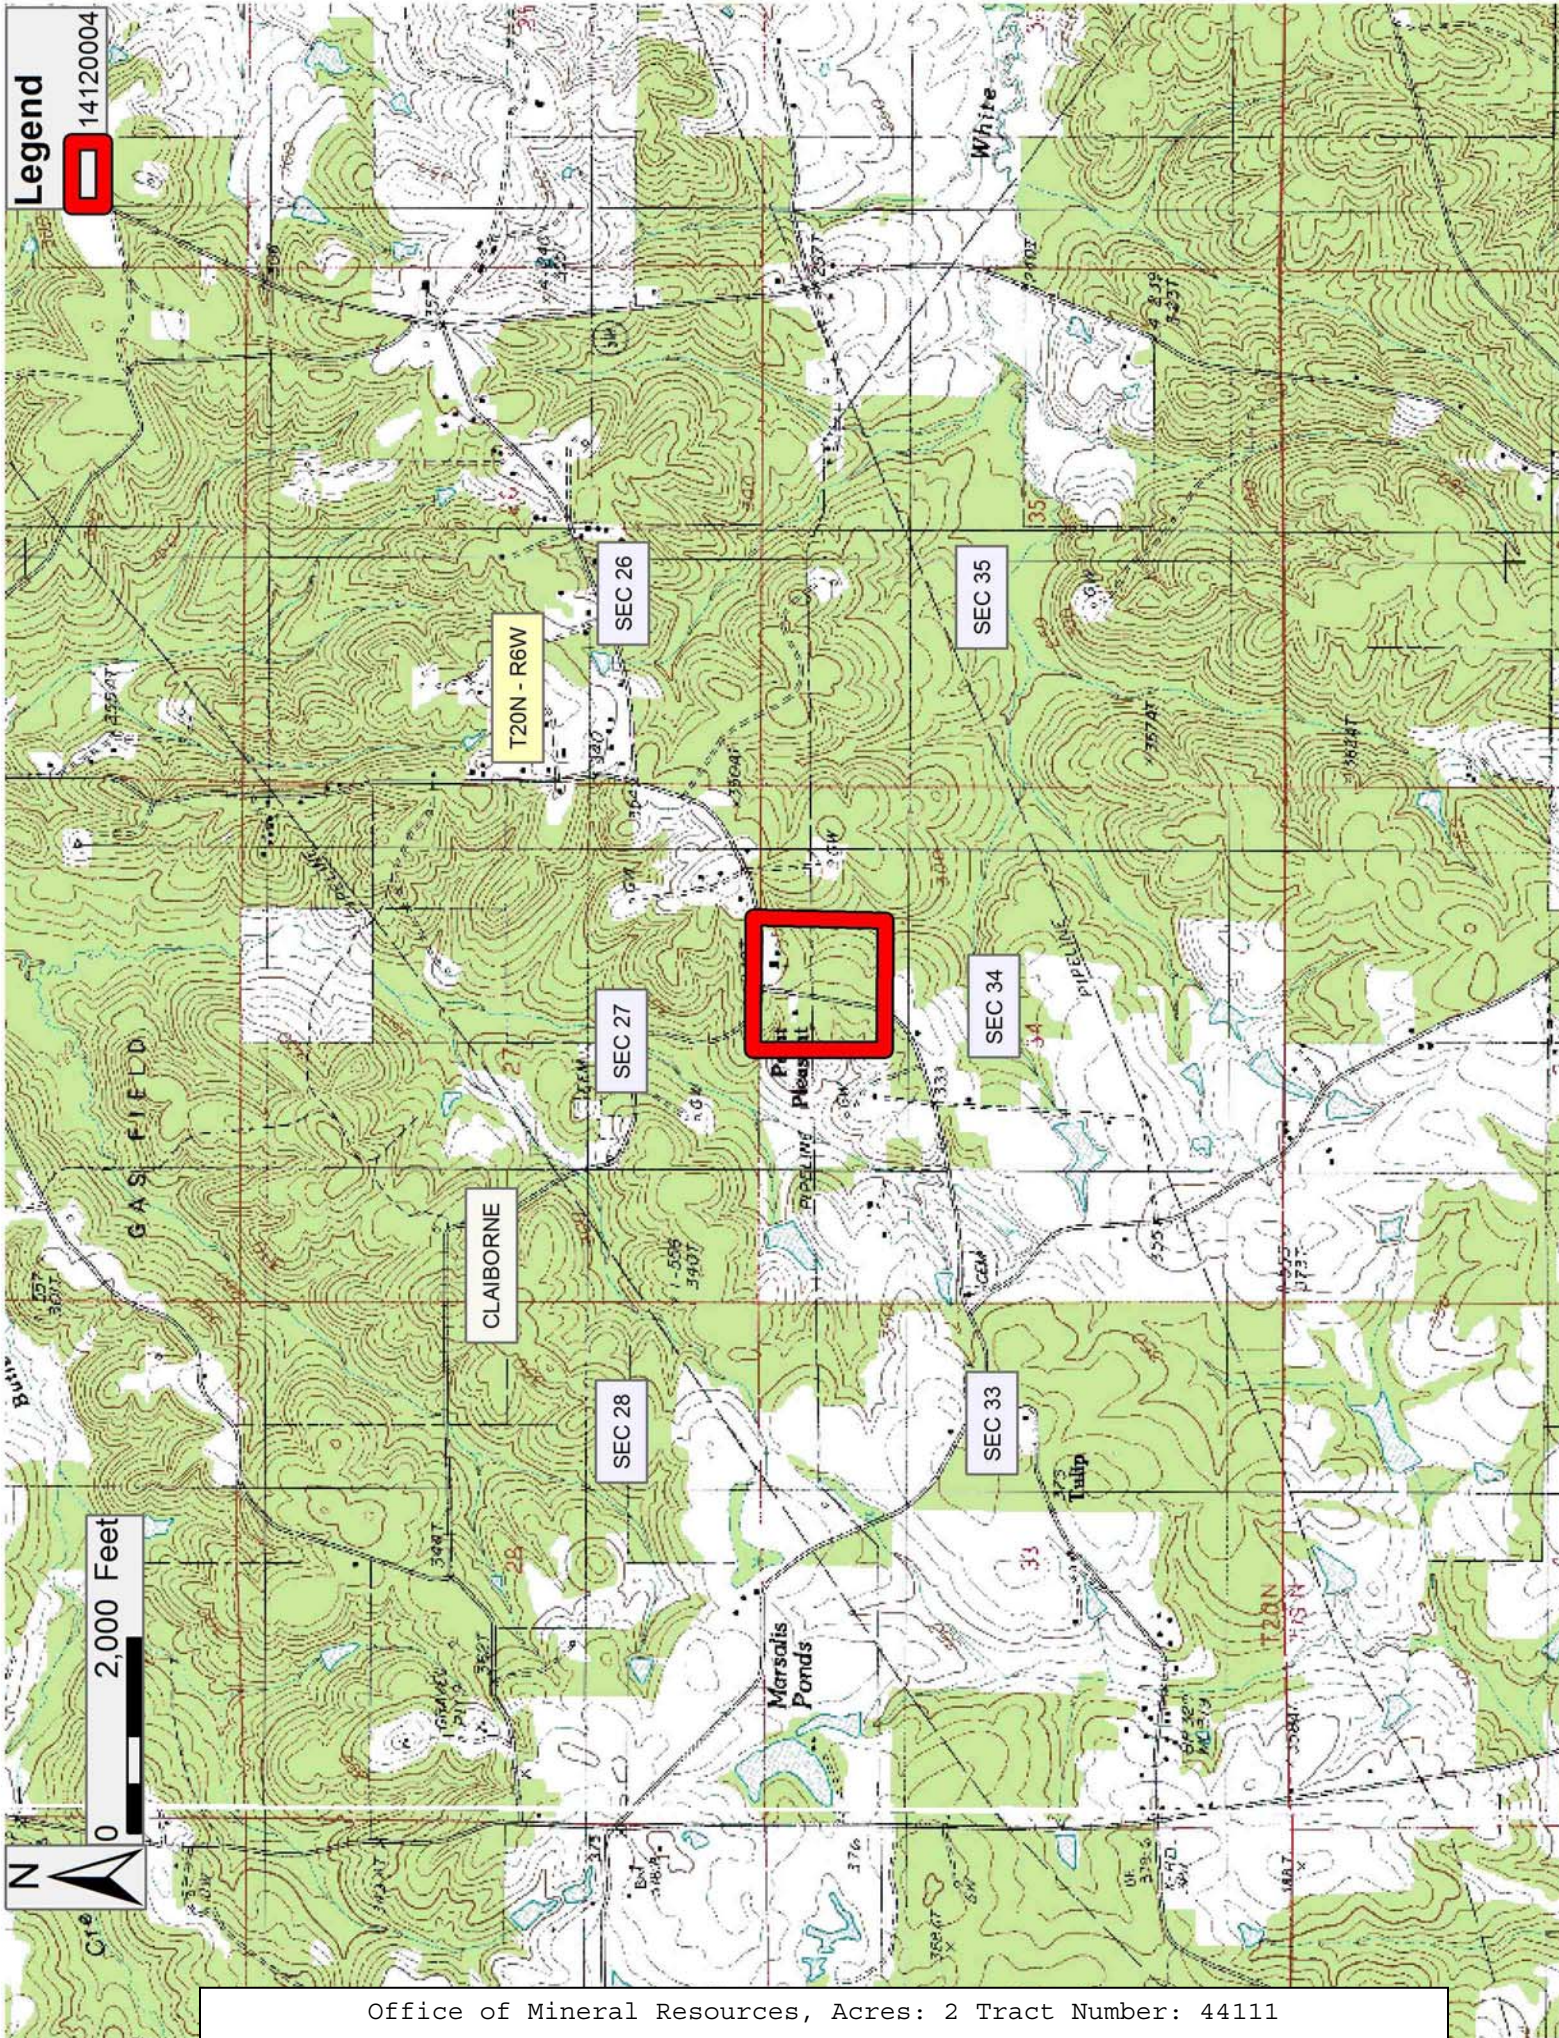

NOTE: The Claiborne Parish School Board reserves the right to require that the lease be in a form that is acceptable to the Louisiana State Mineral and Energy Board.

NOTE: No surface activity on this tract undertaken in conjunction with any operations under any mineral lease given on this tract will be allowed without prior approval of the surface owner and further, no such right of

surface use shall be deemed to have been given as part of any mineral lease by the State of Louisiana on this tract.

Applicant: V.L.C., INC. to Agency and by Resolution from the Claiborne Parish School Board authorizing the Mineral Board to act in its behalf

TRACT 44114 - Acadia Parish, Louisiana

A certain Tract of land, excluding the beds and bottoms of all navigable waters, belonging to and not presently under mineral lease from Acadia Parish School Board on December 10, 2014, being more fully described as follows: Beginning at a point having Coordinates of X = 1,725,756.00 and Y = 597,434.00; thence East 6,545.00 feet to a point having Coordinates of X = 1,732,301.00 and Y = 597,434.00; thence South 5,395.00 feet to a point having Coordinates of X = 1,732,301.00 and Y = 592,039.00; thence West 6,545.00 feet to a point having Coordinates of X = 1,725,756.00 and Y = 592,039.00; thence North 5,395.00 feet to the point of beginning, containing approximately **6.32 acres**, all as more particularly outlined on a plat on file in the Office of Mineral Resources, Department of Natural Resources. The description is based on information provided by the State Agency regarding location and ownership of surface and mineral rights. All bearings, distances and coordinates, if applicable, are based on Louisiana Coordinate System of 1927, (North or South Zone).

NOTE: The above description of the Tract nominated for lease has been provided and corrected, where required, exclusively by the nomination party. Any mineral lease selected from this Tract and awarded by the Louisiana State Mineral and Energy Board shall be without warranty of any kind, either express, implied, or statutory, including, but not limited to, the implied warranties of merchantability and fitness for a particular purpose. Should the mineral lease awarded by the Louisiana State Mineral and Energy Board be subsequently modified, cancelled or abrogated due to the existence of conflicting leases, operating agreements, private claims or other future obligations or conditions which may affect all or any portion of the leased Tract, it shall not relieve the Lessee of the obligation to pay any bonus due thereon to the Louisiana State Mineral and Energy Board, nor shall the Louisiana State Mineral and Energy Board be obligated to refund any consideration paid by the Lessor prior to such modification, cancellation, or abrogation, including, but not limited to, bonuses, rentals and royalties.

NOTE: The successful bidder/lessee agrees to protect all aspects of the properties in T8S, R3E and T9S, R3E at Mire as described within the parameters of this advertisement, nomination and executed lease including meeting all requirements and provisions of the Louisiana Department of Natural Resources and State Mineral Board, Department of Environmental Quality, the Environmental Protection Agency, and applicable statutes. Further, successful bidder/lessee agrees to restore the property to at least an equal status as the property was prior to the lease being executed as determined by the Acadia Parish School Board. The successful bidder/lessee acknowledges and agrees that the economic value of any current revenue producing aspect, if interrupted, on the property herein described shall be equalized, maintained, and paid on a quarterly basis by the lessee as determined by the amount of revenue produced during the twelve month period preceding the execution of the lease documents, if applicable, as determined and verified by the Acadia Parish School Board;

and, further, said payments shall be paid by cashier check or another method acceptable to the property owner.

NOTE: The minimum per acre cash payment acceptable is \$300.00 and the minimum royalty is 25%.

NOTE: The successful lessee shall drill, produce and extract oil and gas by drilled/bored holes only on the subject property.

NOTE: The successful bidder/lessee shall keep the subject properties insured including liability insurance with at least \$5,000,000.00 of liability coverage, and further, the Acadia Parish School Board shall be named as additional insureds. Additionally, the successful bidder/lessee shall hold the Acadia Parish School Board harmless and shall indemnify the Acadia Parish School Board on any claims brought as a result of using and conducting activities on this property.

NOTE: The lessee agrees not to disrupt the educational endeavors of Mire Elementary School including the instructional program, physical education activities and free play time during the period of the lease. The lessee agrees not to erect any permanent derrick, tank, warehouse, stations and/or other structures and equipment on the premises without the prior written consent of the property owner; and, further, the lessee shall have the right to drill, produce, extract, and recover the minerals in and beneath said land by drilling operations conducted from the surface of the leased property, within the parameters of the agreement not to interrupt the instructional program and normal school activities; and further, with explicit written permission of the property owner, the lessee may use pooling or unitization with other land, lease or leases in the area.

Applicant: LUKE BOURQUE to Agency and by Resolution from the Acadia Parish School Board authorizing the Mineral Board to act in its behalf

TRACT 44115 - Lafayette Parish, Louisiana

A certain Tract of land, excluding the beds and bottoms of all navigable waters, belonging to and not presently under mineral lease from Lafayette Parish School Board on December 10, 2014, being more fully described as follows: A certain parcel of land located in Section 6, Township 9 South, Range 4 East, as shown on plat of survey by Robert L. Pate, Registered Land Surveyor, showing property to be acquired by Lafayette Parish School Board from Dalton P. LeBlanc, dated January 12, 1979, revised February 23, 1979, Containing a total of approximately **15 acres**, all as more particularly outlined on a plat on file in the Office of Mineral Resources, Department of Natural Resources. The description is based on information provided by the State Agency regarding location and ownership of surface and mineral rights. All bearings, distances and coordinates, if applicable, are based on Louisiana Coordinate System of 1927, (North or South Zone).

NOTE: The above description of the Tract nominated for lease has been provided and corrected, where required, exclusively by the nomination party. Any mineral lease selected from this Tract and awarded by the Louisiana State Mineral and Energy Board shall be without warranty of any kind, either express, implied, or statutory, including, but not limited to, the implied warranties of merchantability and fitness for a particular purpose. Should the mineral lease awarded by the Louisiana State Mineral and Energy Board be subsequently modified, cancelled or abrogated due to the existence of conflicting leases, operating agreements, private claims or other future obligations or conditions which may affect all or any portion of the leased Tract, it shall not relieve the Lessee of the obligation to pay any bonus due thereon to the Louisiana State Mineral and Energy Board, nor shall the Louisiana State Mineral and Energy Board be obligated to refund any consideration paid by the Lessor prior to such modification, cancellation, or abrogation, including, but not limited to, bonuses, rentals and royalties.

NOTE: The successful bidder/lessee agrees to protect all aspects of Ossun Elementary School Site properties within the parameters of this advertisement, nomination and executed lease including meeting all requirements and provisions of the Louisiana Department of Natural Resources and State Mineral Board, Department of Environmental Quality, the Environmental Protection Agency, and applicable statutes. Further, successful bidder/lessee agrees to restore the property to at least an equal status as the property was prior to the lease being executed as determined by the Lafayette Parish School Board.

NOTE: The minimum per acre cash payment acceptable is \$300.00 and the minimum royalty is 25%.

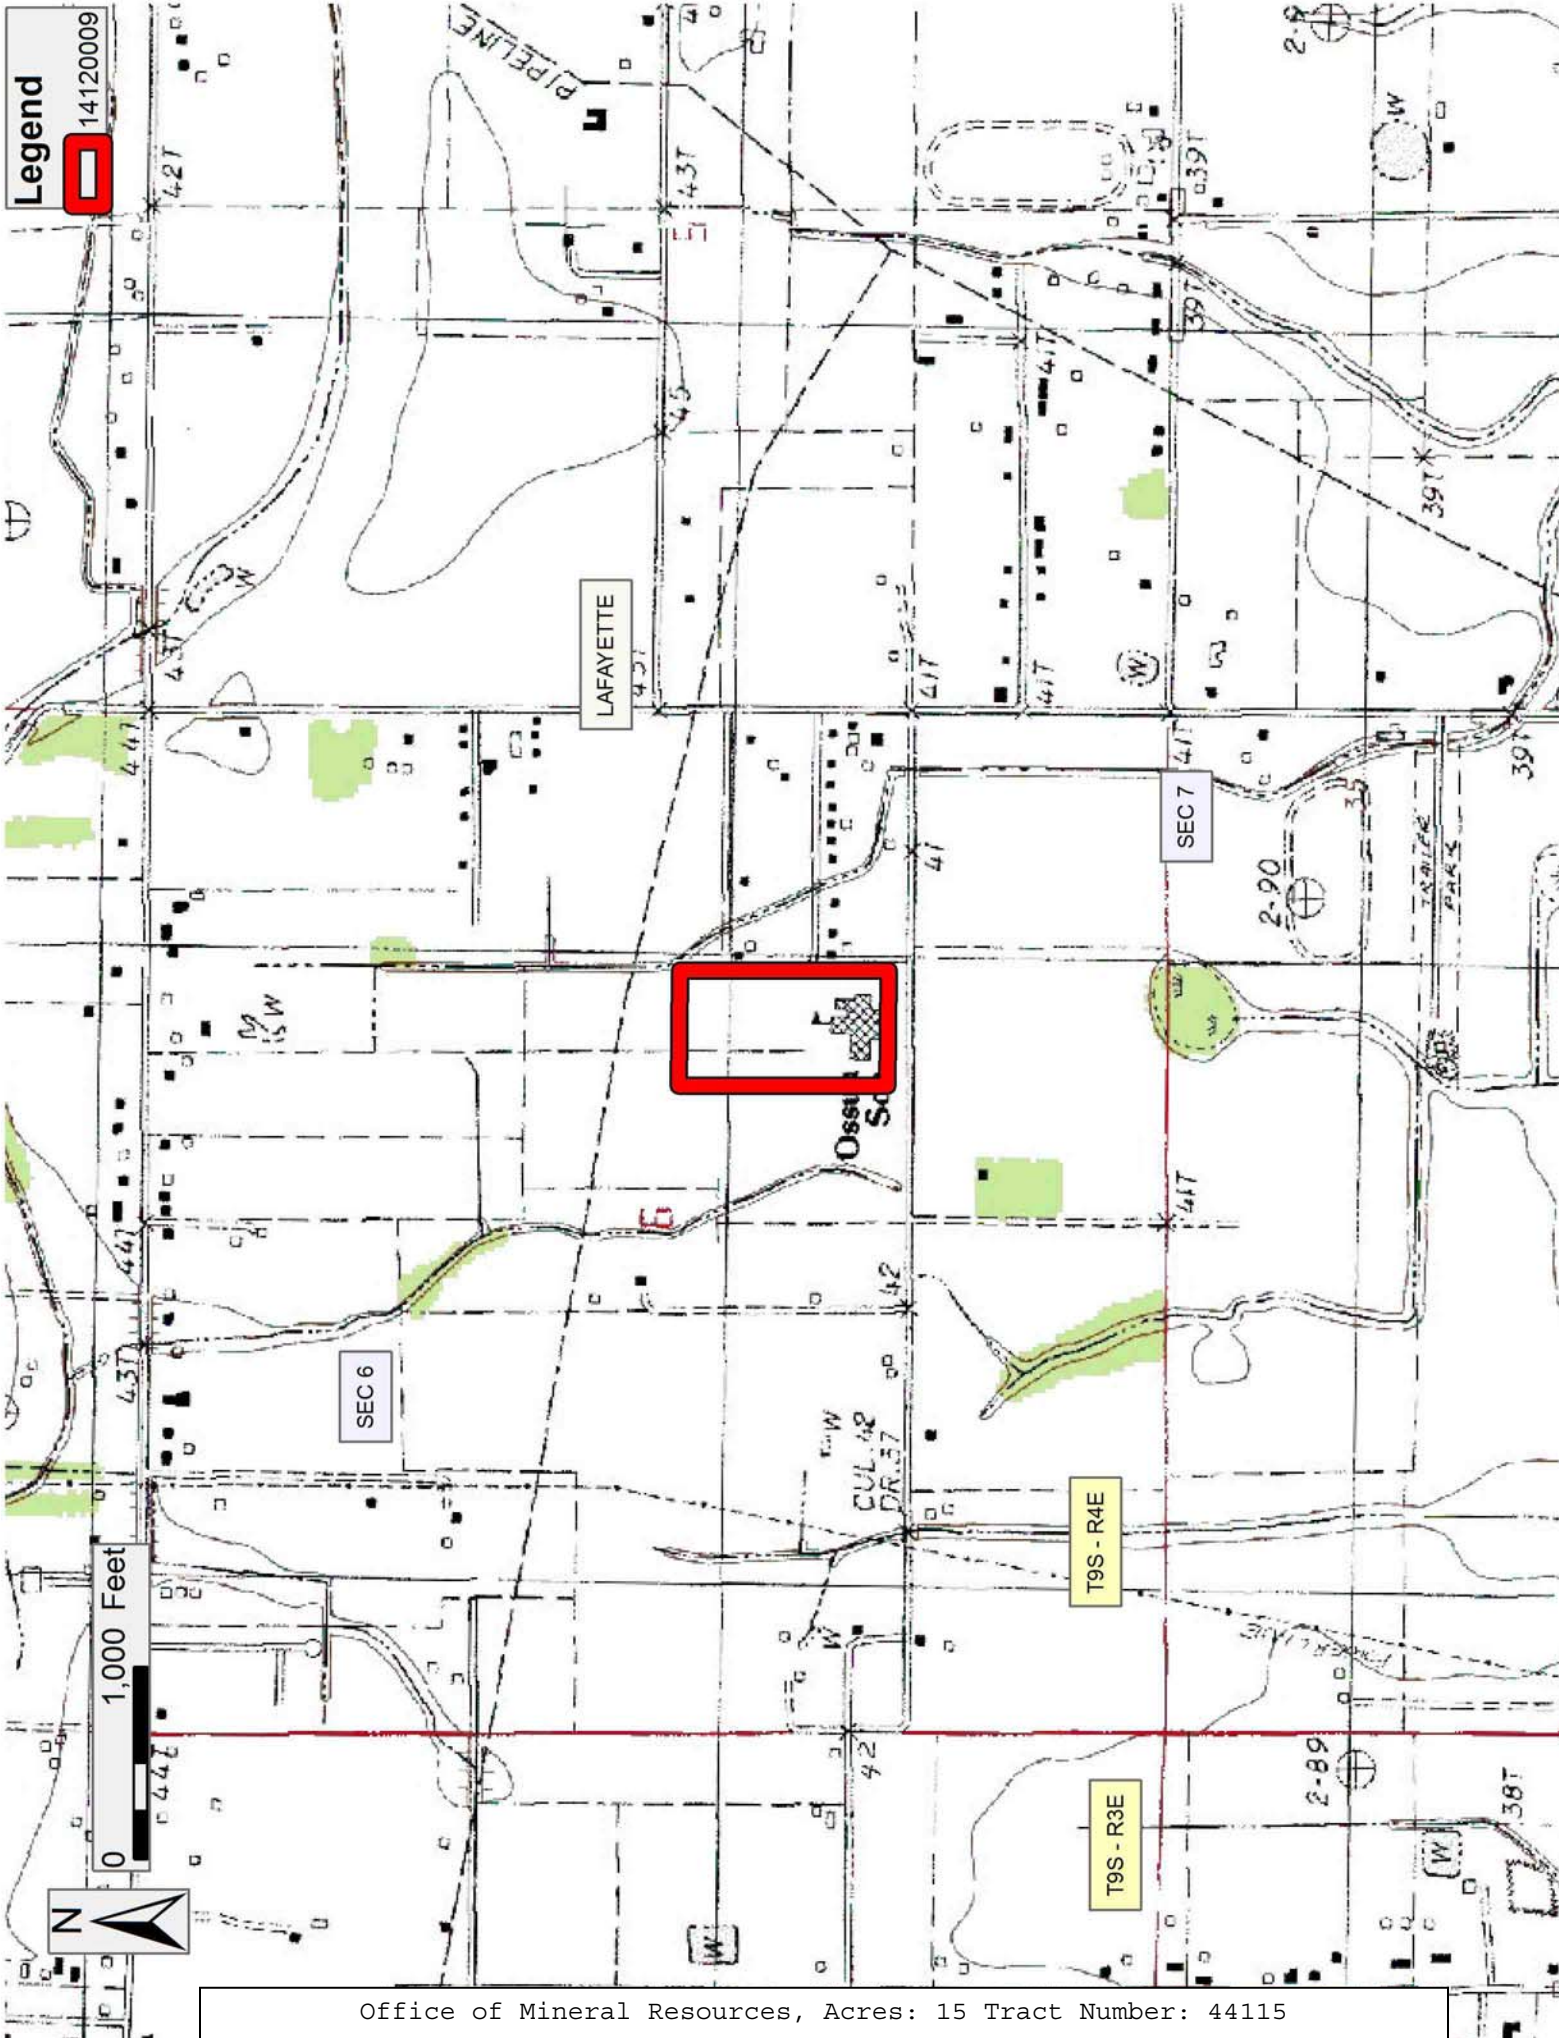

NOTE: The successful lessee shall drill, produce and extract oil and gas by drilled/bored holes only on the subject property.

NOTE: The successful bidder/lessee shall keep the subject properties insured including liability insurance with at least \$5,000,000.00 of liability coverage, and further, the Lafayette Parish School Board shall be named as additional insureds. Additionally, the successful bidder/lessee shall hold the Lafayette Parish School Board harmless and shall indemnify the Lafayette Parish School Board on any claims brought as a result of using and conducting activities on this property.

NOTE: The lessee agrees not to erect any permanent derrick, tank, warehouse, stations and/or other structures and equipment on the premises without the prior written consent of the Lafayette Parish School Board; and, further, the lessee shall have the right to drill, produce, extract, and recover the minerals in and beneath said land by drilling operations conducted from the surface of other lands, or by pooling or unitization with other land, lease or leases in the area.

TRACT 44116 - Lafayette Parish, Louisiana

A certain Tract of land, excluding the beds and bottoms of all navigable waters, belonging to and not presently under mineral lease from Lafayette Parish School Board on December 10, 2014, being more fully described as follows: A certain parcel of land, situated in the parish of Lafayette, Louisiana, containing one arpent in superficial area, situated at the southeast corner of the plantation of the present donor; bounded on the north and on the west by land of the present donor, Joseph C. Broussard, on the east by land of Marcel Begnaud and land of the Board of School Directors of said parish (being one arpent heretofore donated by present donor to said board), and on the south by a public road and said tract of one arpent already donated. The parcel of land herein donated lies on the north and west boundaries of the arpent square of land donated to said board by the present donor. It has a front on the south on the said public road of seventy nine 5/100 plus feet with a depth in parallel lines with the western boundary of the arpent square originally donated, and it has a front on the land of Marcel Begnaud on the east of seventy nine 5/100 plus feet with a depth in parallel lines with the northern boundary of said arpent square, these two lines the western and northern boundaries running perpendicular to each other until they intersect. The parcel herein donated with the arpent square originally donated make a front on said public road on the south of two hundred seventy one 5/100 plus feet. By a front on the land of Marcel Begnaud on the east if two hundred seventy one 5/100 feet (plus), and the two tracts together being square and containing two arpents in superficial area, located in Section 11, Township 9 South, Range 3 East, containing approximately **1.69 acres**, all as more particularly outlined on a plat on file in the Office of Mineral Resources, Department of Natural Resources. The description is based on information provided by the State Agency regarding location and ownership of surface and mineral rights. All bearings, distances and coordinates, if applicable, are based on Louisiana Coordinate System of 1927, (North or South Zone).

NOTE: The above description of the Tract nominated for lease has been provided and corrected, where required, exclusively by the nomination party. Any mineral lease selected from this Tract and awarded by the Louisiana State Mineral and Energy Board shall be without warranty of any kind, either express, implied, or statutory, including, but not limited to, the implied warranties of merchantability and fitness for a particular purpose. Should the mineral lease awarded by the Louisiana State Mineral and Energy Board be subsequently modified, cancelled or abrogated due to the existence of conflicting leases, operating agreements, private claims or other future obligations or conditions which may affect all or any portion of the leased Tract, it shall not relieve the Lessee of the obligation to pay any bonus due thereon to the Louisiana State Mineral and Energy Board, nor shall the Louisiana State Mineral and Energy Board be obligated to refund any consideration paid by the Lessor prior to such modification, cancellation, or abrogation, including, but not limited to, bonuses, rentals and royalties.

NOTE: The successful bidder/lessee agrees to protect all aspects of Whitmore Road properties within the parameters of this advertisement, nomination and executed lease including meeting all requirements and provisions of the Louisiana Department of Natural Resources and State Mineral Board, Department of Environmental Quality, the Environmental Protection Agency, and applicable statutes. Further, successful bidder/lessee agrees to restore the property to at least an equal status as the property was prior to the lease being executed as determined by the Lafayette Parish School Board.

NOTE: The minimum per acre cash payment acceptable is \$300.00 and the minimum royalty is 25%.

NOTE: The successful lessee shall drill, produce and extract oil and gas by drilled/bored holes only on the subject property.

NOTE: The successful bidder/lessee shall keep the subject properties insured including liability insurance with at least \$5,000,000.00 of liability coverage, and further, the Lafayette Parish School Board shall be named as additional insureds. Additionally, the successful bidder/lessee shall hold the Lafayette Parish School Board harmless and shall indemnify the Lafayette Parish School Board on any claims brought as a result of using and conducting activities on this property.

NOTE: The lessee agrees not to erect any permanent derrick, tank, warehouse, stations and/or other structures and equipment on the premises without the prior written consent of the Lafayette Parish School Board; and, further, the lessee shall have the right to drill, produce, extract, and recover the minerals in and beneath said land by drilling operations conducted from the surface of other lands, or by pooling or unitization with other land, lease or leases in the area.

**TRACT 44117 - Lafayette Parish School Board and Acadia Parish School Board
- Acadia and Lafayette Parishes, Louisiana**

The State Mineral and Energy Board acting on behalf of the Lafayette Parish School Board and Acadia Parish School Board, pursuant to Resolution(s) adopted by that (those) body(ies) and in accordance with Louisiana Revised Statutes 30:121-136 and 151-156, as amended, and Article XIV, Section 16(A)(9) and (B) of the Louisiana Constitution of 1974, as same may be continued and promulgated in proper statutory form and, further, amended from time to time, advertises the lands not under mineral lease on December 10, 2014, excluding the beds and bottoms of all navigable water bodies located within the following: All or a portion of Section 16, Township 09 South, Range 03 East in Acadia and Lafayette Parishes, Louisiana, containing approximately **664.42 acres**, all as more particularly outlined on a plat on file in the Office of Mineral Resources, Department of Natural Resources. All bearings, distances and coordinates are based on Louisiana Coordinate System of 1927, (North or South Zone).

NOTE: The above description of the Tract nominated for lease has been provided and corrected, where required, exclusively by the nomination party. Any mineral lease selected from this Tract and awarded by the Louisiana State Mineral and Energy Board shall be without warranty of any kind, either express, implied, or statutory, including, but not limited to, the implied warranties of merchantability and fitness for a particular purpose. Should the mineral lease awarded by the Louisiana State Mineral and Energy Board be subsequently modified, cancelled or abrogated due to the existence of conflicting leases, operating agreements, private claims or other future obligations or conditions which may affect all or any portion of the leased Tract, it shall not relieve the Lessee of the obligation to pay any bonus due thereon to the Louisiana State Mineral and Energy Board, nor shall the Louisiana State Mineral and Energy Board be obligated to refund any consideration paid by the Lessor prior to such modification, cancellation, or abrogation, including, but not limited to, bonuses, rentals and royalties.

NOTE: Lessor acknowledges that the ownership is 68.98% to Lafayette Parish and 31.02% to Acadia Parish and Lessee is authorized and directed to pay any and all rentals and royalties which may accrue under the terms of this lease to said School Boards separately and respectively in the following proportions: Lafayette Parish School Board - 68.98% and Acadia Parish School Board - 31.02%.

NOTE: The successful bidder/lessee agrees to protect all aspects of Section 16, T9S, R3E properties within the parameters of this advertisement, nomination and executed lease including meeting all requirements and provisions of the Louisiana Department of Natural Resources and State Mineral Board, Department of Environmental Quality, the Environmental Protection Agency, and applicable statutes. Further, successful bidder/lessee agrees to restore the property to at least an

equal status as the property was prior to the lease being executed as determined by the Acadia and Lafayette Parish School Boards.

NOTE: The minimum per acre cash payment acceptable is \$300.00 and the minimum royalty is 25%.

NOTE: The successful lessee shall drill, produce and extract oil and gas by drilled/bored holes only on the subject property.

NOTE: The successful bidder/lessee shall keep the subject properties insured including liability insurance with at least \$5,000,000.00 of liability coverage, and further, the Acadia and Lafayette Parish School Boards shall be named as additional insureds. Additionally, the successful bidder/lessee shall hold the Acadia and Lafayette Parish School Boards harmless and shall indemnify the Acadia and Lafayette Parish School Boards on any claims brought as a result of using and conducting activities on this 16th Section property.

NOTE: The lessee agrees not to erect any permanent derrick, tank, warehouse, stations and/or other structures and equipment on the premises without the prior written consent of both property owners; and, further, the lessee shall have the right to drill, produce, extract, and recover the minerals in and beneath said land by drilling operations conducted from the surface of other lands, and with explicit written permission of both property owners. The lessee may use pooling or unitization with other land, lease or leases in the area.

Applicant: LUKE BOURQUE to Agency and by Resolution from the Lafayette Parish School Board and Acadia Parish School Board authorizing the Mineral Board to act in its behalf
