and containing approximately 5.752 acres, the above described tract
contains approximately **341 acres**, all as more particularly outlined on a
plat on file in the Office of Mineral Resources, Department of Natural
Resources. All bearings, distances and coordinates are based on Louisiana
Coordinate System of 1927, (North or South Zone), where applicable.

NOTE: The above description of the Tract nominated for the purpose of
acquiring a mineral lease or a geophysical agreement has been provided and
corrected, where required, exclusively by the nominating party. Any
mineral lease or geophysical agreement selected from this Tract and
awarded by the Louisiana State Mineral and Energy Board shall be without
warranty of any kind, either express, implied or statutory including, but
not limited to, title or the implied warranties of merchantability and
fitness for a particular purpose.

An error or omission in the nominating party's Tract description may
require that a State mineral lease or geophysical agreement be modified,
canceled or abrogated due to the existence of conflicting leases,
operating agreements, private claims or other future obligations or
conditions within the Tract described. In such case, however, the
Louisiana State Mineral and Energy Board shall not be obligated to refund
any consideration paid by the Lessee prior to such modification,
cancellation or abrogation including, but not limited to, bonuses, rentals
and royalties.

NOTE: The State of Louisiana does hereby reserve, and this lease shall be
subject to, the imprescriptible right of surface use in the nature of a
servitude in favor of the Department of Natural Resources, including its

Offices and Commissions, for the sole purpose of implementing, constructing, servicing and maintaining approved coastal zone management and/or restoration projects. Utilization of any and all rights derived under this lease by the mineral lessee, its agents, successors or assigns, shall not interfere with nor hinder the reasonable surface use by the Department of Natural Resources, its Offices or Commissions, as herein above reserved.
